

Harrow Health Publishes First Quarter 2020 Letter to Stockholders

May 11, 2020

NASHVILLE, Tenn., May 11, 2020 (GLOBE NEWSWIRE) -- Harrow Health, Inc. (NASDAQ: HROW) today reported results for the first quarter 2020. Please [click here](#) to review Harrow Health's *Letter to Stockholders* for the first quarter 2020.

Mark L. Baum, CEO of Harrow Health, commented, "As we are starting to see segments of our economy begin to return to normal, I am excited to see the ImprimisRx team get back to what they do best - which is being a trusted provider to our physician customers, enabling them to help their patients, and improve health outcomes. While it is difficult to predict what the rest of 2020 will look like, we are starting to see orders come in as our customers re-open and we continue to be excited about Harrow's upcoming events, catalysts, and developments in the near and long-term. All of these items, and more, are discussed in our *Letter to Stockholders*."

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Any statements in this release that are not historical facts may be considered such "forward-looking statements." Forward-looking statements are based on management's current expectations and are subject to risks and uncertainties which may cause results to differ materially and adversely from the statements contained herein. Some of the potential risks and uncertainties that could cause actual results to differ from those predicted include our ability to make commercially available our compounded formulations and technologies in a timely manner or at all; physician interest in prescribing our formulations; risks related to our compounding pharmacy operations; our ability to enter into other strategic alliances, including arrangements with pharmacies, physicians and healthcare organizations for the development and distribution of our formulations; our ability to obtain intellectual property protection for our assets; our ability to accurately estimate our expenses and cash burn, and raise additional funds when necessary; risks related to research and development activities; the projected size of the potential market for our technologies and formulations; unexpected new data, safety and technical issues; regulatory and market developments impacting compounding pharmacies, outsourcing facilities and the pharmaceutical industry; competition; and market conditions. These and additional risks and uncertainties are more fully described in Harrow Health's filings with the Securities and Exchange Commission, including its Annual Report on Form 10-K and its Quarterly Reports on Form 10-Q. Such documents may be read free of charge on the SEC's web site at www.sec.gov. Undue reliance should not be placed on forward-looking statements, which speak only as of the date they are made. Except as required by law, Harrow Health undertakes no obligation to update any forward-looking statements to reflect new information, events or circumstances after the date they are made, or to reflect the occurrence of unanticipated events.
