This press release contains forward looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Any statements in this release that are not historical facts may be considered forward looking statements, including statements regarding, among other things, the completion, timing, size and terms of the proposed public offering. Forward looking statements are based on management's current views, expectations and assumptions and therefore are not guaranties of future performance and are subject to risks and uncertainties that may cause actual results to differ materially and adversely from those predicted by the forward looking statements. Some of the potential risks and uncertainties that could cause actual results to differ from those predicted include, among others, market and other general economic conditions; the company's ability to satisfy the conditions required to complete the offering; and the company's perception of future availability of equity or debt financing needed to fund the growth of its business. As a result of these risks and uncertainties, undue reliance should not be placed on forward looking statements. The limited information contained in this press release is not adequate for making an informed investment judgment about the company, and you are encouraged to read Imprimis' filings with the Securities and Exchange Commission, including its most recent Annual Report on Form 10-K and its subsequent Quarterly Reports on Form 10-Q, which more fully describe the company and its business and the risks and uncertainties that may impact future performance. Such documents may

be read free of charge on the SEC's web site at www.sec.gov. Forward looking statements speak only as of the date they are made and except as required by law, Imprimis undertakes no obligation to update any forward looking statements to reflect new information, events or circumstances after the date they are made, or to reflect the occurrence of unanticipated events.
