Item 1.01. Entry Into a Material Definitive Agreement.

As previously disclosed by Transdel Pharmaceuticals, Inc. (the “Company”), on June 26, 2011, the Company filed a voluntary petition for reorganization relief under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of California (the “Bankruptcy Court”), Case No. 11-10497-11 (the “Chapter 11 Case”). On November 21, 2011, in connection with the transactions described below, the Company requested that the Bankruptcy Court dismiss the Chapter 11 Case, and on December 9, 2011, the Bankruptcy Court entered an order dismissing the Chapter 11 Case. In connection with the dismissal of the Chapter 11 Case, the Bankruptcy Court, among other things, declined to retain jurisdiction over claim objection proceedings and found moot the Company’s objection to the claims of Cardium Therapeutics, Inc. (“Cardium”) and Cardium Healthcare, Inc. (“Cardium Healthcare”), a wholly owned subsidiary of Cardium. The dismissal of the Chapter 11 Case is based upon the provisions of both 11 U.S.C. Sections 305(a) and 1112(b).

On November 21, 2011, the Company entered into a Secured Line of Credit Letter Agreement (the “Line of Credit Agreement”) with DermaStar International, LLC (“DermaStar”). The Line of Credit Agreement became effective on December 9, 2011, in connection with the dismissal of the Chapter 11 Case by the Bankruptcy Court. On December 9, 2011, as required by the Line of Credit Agreement, the Company entered into a Security Agreement and an Intellectual Property Security Agreement with DermaStar, pursuant to which the Company granted to DermaStar a blanket security interest in all of its assets, including its intellectual property.

The Line of Credit Agreement provides for advances to the Company of up to an aggregate of \$750,000 (each an “Advance” and collectively the “Loan”), subject to the satisfaction by the Company of certain conditions in connection with the initial Advance and each subsequent Advance. Each Advance will be made pursuant to a Promissory Note in favor of DermaStar. On December 12, 2011, the Company requested and received an initial Advance of \$150,000 from DermaStar and issued DermaStar a promissory note in the amount of \$150,000 (the “Initial Note”). The proceeds received from the Initial Note will be used to satisfy certain administrative and priority claims of the creditors of the Company and pay certain legal and accounting fees and expenses. Future Advances under the Line of Credit Agreement, if any, will be made in \$50,000 increments and are expected to be used to pay legal and accounting fees and expenses and for general corporate purposes. The Loan accrues interest at 10% per annum and may be prepaid at any time without penalty. The amounts due under the Loan may accelerate at the option of DermaStar upon the occurrence of certain customary events of default. In addition, the amounts due under the Loan may accelerate if (i) there is a change in the ownership of control of more than 20% of the voting capital stock of the Company (other than purchases of the Company’s capital stock by DermaStar) and (ii) the Company is named as a defendant in any legal action brought by any current or former employee, executive officer or director of the Company or any third party with whom the Company had entered into any agreement prior to the date of the dismissal of the Chapter 11 Case.

In partial consideration for and in connection with the Line of Credit Agreement, on November 21, 2011, the Company entered into a Securities Purchase Agreement (the “Purchase Agreement”) with DermaStar, pursuant to which the Company agreed to issue ten (10) shares of newly-designated Series A Convertible Preferred Stock (the “Series A Preferred Stock”) to DermaStar for an aggregate purchase price of \$100,000.

The Purchase Agreement became effective on December 9, 2011, in connection with the dismissal of the Chapter 11 Case by the Bankruptcy Court. On December 12, 2011, the Company and DermaStar consummated the transactions contemplated by the Purchase Agreement. The shares of Series A Preferred Stock issued to DermaStar in the offering are convertible into 59,988,002 shares of the Company’s Common Stock. Certain of the rights and preferences of the Series A Preferred Stock are summarized in Item 5.03 below. The shares of Series A Preferred Stock were issued in a private placement transaction pursuant to Section 4(2) of the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder.

As a condition of DermaStar’s purchase of the Series A Preferred Stock, the Company entered into a Mutual General Release Agreement (the “Mutual Release”) with certain former and current employees, officers and directors of the Company (the “Releasers”). The Mutual Release releases the Company and the Releasers thereto from liability for actions and events occurring through the date of the Mutual Release.

The foregoing descriptions of the above documents do not purport to be complete and are qualified in their entirety by the Line of Credit Agreement, the Security Agreement, the Intellectual Property Security Agreement, the Securities Purchase Agreement and the Mutual Release, attached as Exhibit 10.1, Exhibit 10.2, Exhibit 10.3, Exhibit 10.4 and Exhibit 10.5, respectively, to this Current Report on Form 8-K and incorporated herein by reference.

Item 1.02. Termination of a Material Definitive Agreement.

As previously disclosed by the Company, in connection with the Chapter 11 Case, the Company, as seller, and Cardium Healthcare, Inc., a wholly-owned subsidiary of Cardium, as purchaser, had entered into an Asset Purchase Agreement dated June 26, 2011 pursuant to which the Company agreed to sell substantially all of the assets of the Company to Cardium Healthcare, Inc. pursuant to Sections 105, 363 and 365 of the Bankruptcy Code, subject to court approval and the satisfaction of certain conditions set forth in the Asset Purchase Agreement. Consummation of the sale was subject to obtaining an order of approval from the Bankruptcy Court. On July 26, 2011, the Bankruptcy Court denied the Company's motion to approve the Asset Purchase Agreement. On October 7, 2011, the Company terminated the Asset Purchase Agreement with Cardium Healthcare, Inc. pursuant to its terms.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under Item 1.01 of this Current Report on Form 8-K regarding the Line of Credit and the Loan is hereby incorporated by reference into this Item 2.03.

Item 3.02. Unregistered Sales of Equity Securities.

The information set forth under Item 1.01 of this Current Report on Form 8-K regarding the issuance of the Series A Preferred Stock is hereby incorporated by reference into this Item 3.02.

Item 5.01. Changes in Control of Registrant.

The information set forth under Item 1.01 of this Current Report on Form 8-K is hereby incorporated by reference into this Item 5.01. Immediately prior to the issuance of the Series A Preferred Stock as described above, the Company had issued and outstanding approximately 15,882,000 shares of Common Stock and no shares of Preferred Stock. The ten shares of Series A Preferred Stock issued to DermaStar are convertible into 59,988,002 shares of Common Stock. The Company's Amended and Restated Certificate of Incorporation currently authorizes the Company to issue up to 50,000,000 shares of capital stock. As a result, the Company does not currently have a sufficient number of shares of authorized Common Stock to convert all shares of Series A Preferred Stock into Common Stock. Until the number of authorized shares of Common Stock is increased through an amendment to the Company's Amended and Restated Certificate of Incorporation, DermaStar has the ability to convert five of its ten shares of Series A Preferred Stock into 29,940,120 shares of Common Stock, representing approximately 65% of the capital stock of the Company on an as-converted basis.

The Company expects to seek stockholder approval of an amendment to its Amended and Restated Certificate of Incorporation to increase the number of authorized shares of capital stock of the Company sufficient to permit DermaStar to convert all ten shares of Series A Preferred Stock into Common Stock.

Following approval of such an amendment DermaStar would be able to convert all ten shares of Series A Preferred Stock into 59,988,002 shares of Common Stock, representing approximately 79% of the capital stock of the Company on an as-converted basis. In addition, because the Series A Preferred Stock votes on an as-converted basis together with the Common Stock, DermaStar has control over approximately 79% of the voting securities of the Company. The separate approval of the Series A Preferred Stock is also required for the approval of certain matters, some of which are summarized in Item 5.03 below. As a result, DermaStar has sufficient voting power to direct the affairs of the Company.

DermaStar's investment in Transdel was made out of its available funds. There are no understandings or arrangements between the Company's board of directors and management and DermaStar with respect to the election of directors.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b) Effective December 16, 2011, Anthony S. Thornley resigned as a director from the Company's Board of Directors. Mr. Thornley's resignation was not in connection with any known disagreement with the Company on any matter. Effective December 16, 2011, Terry Nida resigned as principle executive officer and principle financial officer of the Company.

(d) Effective December 16, 2011, upon the unanimous consent of the Company's Board of Directors, Mark L. Baum and Dr. Robert J. Kammer joined the Board of Directors, each to serve until his resignation or removal or until his successor is duly elected and qualified. Mr. Baum and Dr. Kammer are the Managing Members of DermaStar and both Dr. Kammer and Mr. Baum hold ownership interests in DermaStar. There are no arrangements or understandings between either Mr. Baum or Dr. Kammer and any other persons pursuant to

which either Mr. Baum or Dr. Kammer was elected as a director. The information set forth under Item 1.01 of this Current Report on Form 8-K is hereby incorporated by reference into this Item 5.02(d).

Mark L. Baum, Esq. is a 39 year old executive with more than 15 years experience in financing, operating and advising small capitalization publicly traded enterprises, with a particular focus on restructured or reorganized businesses. Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On December 9, 2011, the Company filed a Certificate of Designation to its Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware (the “Certificate of Designation”), setting forth the rights and preferences of the Series A Preferred Stock. Among other things, the Certificate of Designation (i) authorizes ten (10) shares of the Company’s preferred stock to be designated as “Series A Convertible Preferred Stock”; (ii) grants the holders of the Series A Preferred Stock the right to convert into the Company’s Common Stock at a conversion price of \$0.001667, as adjusted; (iii) grants a liquidation preference of \$10,000 per share of Series A Preferred Stock; (iv) provides that the holders of Series A Preferred Stock shall vote with the holders of the Company’s common stock on an “as converted basis”; and (v) provides that the affirmative vote of a majority of the outstanding shares of the Series A Preferred Stock is required to approve certain other corporate matters including, among other things, changes to the rights of the holders of the Series A Preferred Stock, amendments to the Company’s Certificate of Incorporation or Bylaws, issuance of priority or parity securities, issuance of debt securities, entry into certain fundamental transactions and increase or decrease the size of the Board of Directors of the Company. A copy of the Certificate of Designation is listed as Exhibit 3.1 to this Form 8-K and is incorporated herein by reference.

Each share of Series A Preferred Stock shall have a par value of \$.001 per share.

The Corporation may deem and treat the registered Holder of shares of Series A Preferred Stock as the absolute owner thereof for the purpose of any conversion thereof and for all other purposes. The Corporation shall register, or cause the Corporation’s transfer agent to register, the transfer of any shares of Series A Preferred Stock in the Series A Preferred Stock Register, upon surrender of the certificates evidencing such shares to be transferred, duly endorsed by the Holder thereof, to the Corporation at its principal place of business. Upon any such registration or transfer, a new certificate evidencing the shares of Series A Preferred Stock so transferred shall be issued to the transferee and a new certificate evidencing the remaining portion of the shares not so transferred, if any, shall be issued to the transferring Holder, in each case, within three Business Days. The provisions of this Certificate are intended to be for the benefit of all Holders from time to time and shall be enforceable by any such Holder.

Section 3. Dividends. The Corporation shall not declare, pay or set aside any dividends on shares of any other class or series of capital stock of the Corporation (other than dividends on shares of Common Stock payable in shares of Common Stock) unless the holders of the Series A Preferred Stock then outstanding shall first receive, or simultaneously receive, a dividend on each outstanding share of Series A Preferred Stock in an amount at least equal to (i) in the case of a dividend on Common Stock or any class or series that is convertible into Common Stock, that dividend per share of Series A Preferred Stock as would equal the product of (A) the dividend payable on each share of such class or series determined, if applicable, as if all shares of such class or series had been converted into Common Stock and (B) the number of shares of Common Stock issuable upon conversion of a share of Series A Preferred Stock, in each case calculated on the record date for determination of holders entitled to receive such dividend or (ii) in the case of a dividend on any class or series that is not convertible into Common Stock, at a rate per share of Series A Preferred Stock determined by (A) dividing the amount of the dividend payable on each share of such class or series of capital stock by the original issuance price of such class or series of capital stock (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization with respect to such class or series) and (B) multiplying such fraction by an amount equal to the Series A Original Issue Price (as defined below); provided that, if the Corporation declares, pays or sets aside, on the same date, a dividend on shares of more than one class or series of capital stock of the Corporation, the dividend payable to the holders of Series A Preferred Stock pursuant to this Section 3 shall be calculated based upon the dividend on the class or series of capital stock that would result in the highest Series A Preferred Stock dividend. The “**Series A Original Issue Price**” shall mean \$10,000 per share, subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization with respect to the Series A Preferred Stock.

Section 4. Voting Rights. On any matter presented to the stockholders of the Corporation for their action or consideration at any meeting of stockholders of the Corporation (or by written consent of stockholders in lieu of meeting), each holder of outstanding shares of Series A Preferred Stock shall be entitled to cast the number of votes equal to the number of whole shares of Common Stock into which the shares of Series A Preferred Stock held by such holder are convertible as of the record date for determining stockholders entitled to vote on such matter. Except as provided by law or by the other provisions of the Certificate of Incorporation, holders of Series A Preferred Stock shall vote together with the holders of Common Stock as a single class. However, as long as any shares of Series A Preferred Stock are outstanding, the Corporation shall not, without the affirmative vote of the Holders of a majority of the then outstanding shares of the Series A Preferred Stock: (a) alter or change adversely the powers, preferences or rights given to the Series A Preferred Stock or alter or amend this Certificate of Designation; (b) increase the number of authorized shares of Series A Preferred Stock; (c) amend, alter or repeal any provision of the Certificate of Incorporation (as amended) or Bylaws of the Corporation; (d) authorize or issue, or obligate itself to issue, whether by merger, consolidation or otherwise, any equity security (other than Series A Preferred Stock), including any security convertible into or exercisable for any equity security, having a preference over, or being on a parity with, the Series A Preferred Stock with respect to dividends, liquidation, redemption or otherwise; (e) authorize or issue, or obligated itself to issue, any Common Stock, including any security convertible into or exercisable for Common Stock, at a conversion price, exercise price or exchange rate or other purchase price that is lower than the Closing Sale Price of the Common Stock on the date of such issuance; (f) effect any reclassification or recapitalization of the outstanding capital stock of the Corporation; (g) effect any Fundamental Transaction; (h) enter into any material related party transactions; (i) purchase or redeem (or permit any subsidiary to purchase or redeem) or pay or declare any dividend or make any distribution on, any shares of capital stock of the Corporation other than (A) redemptions of or dividends or distributions on the Series A Preferred Stock as expressly authorized herein, (B) dividends or other distributions payable on the Common Stock solely in the form of additional shares of Common Stock and (C) repurchases of stock from former employees, officers, directors, consultants or other persons who performed services for the Corporation or any subsidiary in connection with the cessation of such employment or service at the lower of the original purchase price or the then-current fair market value thereof; (j) create, or authorize the creation of, or issue, or authorize the issuance of any debt security, or permit any subsidiary to take any such action with respect to any debt security, if the aggregate indebtedness of the Corporation and its subsidiaries for borrowed money following such action would exceed \$100,000 other than equipment leases or bank lines of credit; (k) create, or hold capital stock in, any subsidiary that is not wholly owned (either directly or through one or more other subsidiaries) by the Corporation, or sell, transfer or otherwise dispose of any capital stock of any direct or indirect subsidiary of the Corporation, or permit any direct or indirect subsidiary to sell, lease, transfer, exclusively license or otherwise dispose (in a single transaction or series of related transactions) of all or substantially all of the assets of such subsidiary; (l) increase or decrease the authorized number of directors constituting the Board of Directors; or (m) enter into any agreement with respect to any of the foregoing.

Section 5. Rank; Liquidation.

(a) The Series A Preferred Stock shall rank (i) senior to all of the Common Stock; (ii) senior to any class or series of capital stock of the Corporation hereafter created specifically ranking by its terms junior to any Series A Preferred Stock (“**Junior Securities**”); (iii) on parity with any class or series of capital stock of the Corporation hereafter created specifically ranking by its terms on parity with the Series A Preferred Stock (“**Parity Securities**”); and (iv) junior to any class or series of capital stock of the Corporation hereafter created

specifically ranking by its terms senior to any Series A Preferred Stock (“**Senior Securities**”), in each case, as to dividends, distributions of assets upon liquidation, dissolution or winding up of the Corporation, whether voluntarily or involuntarily (all such distributions being referred to collectively as “**Distributions**”).

(b) Subject to the prior and superior rights of the holders of any Senior Securities of the Corporation, upon liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary (each, a “**Liquidation Event**”), each holder of shares of Series A Preferred Stock shall be entitled to receive, in preference to any distributions of any of the assets or surplus funds of the Corporation to the holders of the Common Stock and Junior Securities and pari passu with any distribution to the holders of Parity Securities, an amount equal to \$10,000 per share of Series A Preferred Stock, plus an additional amount equal to any dividends declared but unpaid on such shares, before any payments shall be made or any assets distributed to holders of any class of Common Stock or Junior Securities. If, upon any such Liquidation Event, the assets of the Corporation shall be insufficient to pay the holders of shares of the Series A Preferred Stock the amount required under the preceding sentence, then all remaining assets of the Corporation shall be distributed ratably to holders of the shares of the Series A Preferred Stock and Parity Securities.

(c) After payment to the holders of shares of the Series A Preferred Stock of the amount required under Section 5(b) and subject to the prior and superior rights of the holders of any Senior Securities of the Corporation, the remaining assets or surplus funds of the Corporation, if any, available for distribution to stockholders shall be distributed ratably among the holders of the Series A Preferred Stock, any other class or series of capital stock that participates with the Common Stock in the distribution of assets upon any Liquidation Event and the Common Stock, with the holders of the Series A Preferred Stock deemed to hold that number of shares of Common Stock into which such shares of Series A Preferred Stock are then convertible.

Section 6. Conversion.

(a) Conversions at Option of Holder. Each share of Series A Preferred Stock shall be convertible, at any time and from time to time from and after the date of the issuance thereof, at the option of the Holder thereof, into a number of shares of Common Stock equal to the Conversion Ratio in effect at the time of such conversion. Holders shall effect conversions by providing the Corporation with the form of conversion notice attached hereto as **Annex A** (a “**Notice of Conversion**”), duly completed and executed. Provided the Corporation’s transfer agent is participating in the Depository Trust Company (“**DTC**”) Fast Automated Securities Transfer program, the Notice of Conversion may specify, at the Holder’s election, whether the applicable Conversion Shares shall be credited to the account of the Holder’s prime broker with DTC through its Deposit Withdrawal Agent Commission system (a “**DWAC Delivery**”). The “**Conversion Date**”, or the date on which a conversion shall be deemed effective, shall be defined as the Trading Day that the Notice of Conversion, completed and executed, is sent by facsimile to, and received during regular business hours by, the Corporation; provided that the original certificate(s) representing such shares of Series A Preferred Stock being converted, duly endorsed, and the accompanying Notice of Conversion, are received by the Corporation within two (2) Trading Days thereafter. In all other cases, the Conversion Date shall be defined as the Trading Day on which the original stock certificates representing the shares of Series A Preferred Stock being converted, duly endorsed, and the accompanying Notice of Conversion, are received by the Corporation. The calculations set forth in the Notice of Conversion shall control in the absence of manifest or mathematical error.

(b) Conversion Ratio. The “**Conversion Ratio**” for each share of Series A Preferred Stock shall be equal to the Stated Value divided by the Conversion Price.

(c) Mechanics of Conversion.

(i) Delivery of Certificate or Electronic Issuance Upon Conversion. Not later than three Trading Days after the applicable Conversion Date, or if the Holder requests the issuance of physical certificate(s), two Trading Days after receipt by the Corporation of the original certificate(s) representing such shares of Series A Preferred Stock being converted, duly endorsed, and the accompanying Notice of Conversion (the “**Share Delivery Date**”), the Corporation shall (a) deliver, or cause to be delivered, to the converting Holder a physical certificate or certificates representing the number of Conversion Shares being acquired upon the conversion of shares of Series A Preferred Stock (which certificate or certificates shall not have any legends on it) or (b) in the case of a DWAC Delivery, electronically transfer such Conversion Shares by crediting the account of the Holder’s prime broker with DTC through its DWAC system. If in the case of any Notice of Conversion such certificate or certificates are not delivered to or as directed by or, in the case of a DWAC Delivery, such shares are not electronically delivered to or as directed by, the applicable Holder by the Share Delivery Date, the applicable Holder shall be entitled to elect to rescind such Conversion Notice by written notice to the Corporation at any time on or before its receipt of such certificate or certificates for Conversion Shares or electronic receipt of such shares, as applicable, in which event the Corporation shall promptly return to such Holder any original Series A Preferred Stock certificate delivered to the Corporation and such Holder shall promptly return to the Corporation any Common Stock certificates or otherwise direct the return of any shares of Common Stock delivered to the Holder through the DWAC system, representing the shares of Series A Preferred Stock unsuccessfully tendered for conversion to the Corporation.

(ii) Obligation Absolute. Subject to Section 6(c) hereof and subject to Holder's right to rescind a Conversion Notice pursuant to Section 6(c)(i) above, the Corporation's obligation to issue and deliver the Conversion Shares upon conversion of Series A Preferred Stock in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by a Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by such Holder or any other Person of any obligation to the Corporation or any violation or alleged violation of law by such Holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Corporation to such Holder in connection with the issuance of such Conversion Shares. Subject to Section 6(c) hereof and subject to a Holder's right to rescind a Conversion Notice pursuant to Section 6(c)(i) above, in the event a Holder shall elect to convert any or all of its Series A Preferred Stock, the Corporation may not refuse conversion based on any claim that such Holder or any one associated or affiliated with such Holder has been engaged in any violation of law, agreement or for any other reason, unless an injunction from a court, on notice to such Holder, restraining and/or enjoining conversion of all or part of the Series A Preferred Stock of such Holder shall have been sought and obtained by the Corporation, and the Corporation posts a surety bond for the benefit of such Holder in the amount of 150% of the value of the Conversion Shares into which would be converted the Series A Preferred Stock which is subject to such injunction, which bond shall remain in effect until the completion of arbitration/litigation of the underlying dispute and the proceeds of which shall be payable to such Holder to the extent it obtains judgment. In the absence of such injunction, the Corporation shall, subject to Section 6(c) hereof and subject to a Holder's right to rescind a Conversion Notice pursuant to Section 6(c)(i) above, issue Conversion Shares upon a properly noticed conversion. If the Corporation fails to deliver to a Holder such certificate or certificates, or electronically deliver (or cause its transfer agent to electronically deliver) such shares in the case of a DWAC Delivery, pursuant to Section 6(c)(i) on or prior to the fifth (5th) Trading Day after the Share Delivery Date applicable to such conversion (other than a failure caused by incorrect or incomplete information provided by such Holder to the Corporation), then, unless the Holder has rescinded the applicable Conversion Notice pursuant to Section 6(c)(i) above, the Corporation shall pay (as liquidated damages and not as a penalty) to such Holder an amount payable, at the Corporation's option, either (a) in cash or (b) in shares of Common Stock that are valued for these purposes at the Closing Sale Price on the date of such calculation, in each case equal to the product of (x) the number of Conversion Shares required to have been issued by the Corporation on such Share Delivery Date, (y) an amount equal to the Daily Failure Amount and (z) the number of Trading Days actually lapsed after such fifth (5th) Trading Day after the Share Delivery Date during which such certificates have not been delivered, or, in the case of a DWAC Delivery, such shares have not been electronically delivered. Nothing herein shall limit a Holder's right to pursue actual damages for the Corporation's failure to deliver Conversion Shares within the period specified herein and such Holder shall have the right to pursue all remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief; provided that Holder shall not receive duplicate damages for the Corporation's failure to deliver Conversion Shares within the period specified herein. The exercise of any such rights shall not prohibit a Holder from seeking to enforce damages pursuant to any other Section hereof or under applicable law.

(iii) Compensation for Buy-In on Failure to Timely Deliver Certificates Upon Conversion. If the Corporation fails to deliver to a Holder the applicable certificate or certificates or to effect a DWAC Delivery, as applicable, by the Share Delivery Date pursuant to Section 6(c)(i) (other than a failure caused by incorrect or incomplete information provided by such Holder to the Corporation), and if after such Share Delivery Date such Holder is required by its brokerage firm to purchase (in an open market transaction or otherwise), or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by such Holder of the Conversion Shares which such Holder was entitled to receive upon the conversion relating to such Share Delivery Date (a "**Buy-In**"), then the Corporation shall (A) pay in cash to such Holder (in addition to any other remedies available to or elected by such Holder) the amount by which (x) such Holder's total purchase price (including any brokerage commissions) for the shares of Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that such Holder was entitled to receive from the conversion at issue multiplied by (2) the actual sale price at which the sell order giving rise to such purchase obligation was executed (including any brokerage commissions) and (B) at the option of such Holder, either reissue (if surrendered) the shares of Series A Preferred Stock equal to the number of shares of Series A Preferred Stock submitted for conversion or deliver to such Holder the number of shares of Common Stock that would have been issued if the Corporation had timely complied with its delivery requirements under Section 6(c)(i). For example, if a Holder purchases shares of Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of shares of Series A Preferred Stock with respect to which the actual sale price (including any brokerage commissions) giving rise to such purchase obligation was a total of \$10,000 under clause (A) of the immediately preceding sentence, the Corporation shall be required to pay such Holder \$1,000. The Holder shall provide the Corporation written notice, within three (3) Trading Days after the occurrence of a Buy-In, indicating the amounts payable to such Holder in respect of such Buy-In together with applicable confirmations and other evidence reasonably requested by the Corporation. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Corporation's failure to timely deliver certificates representing shares of Common Stock upon conversion of the shares of Series A Preferred Stock as required pursuant to the terms

hereof; provided, however, that the Holder shall not be entitled to both (i) require the reissuance of the shares of Series A Preferred Stock submitted for conversion for which such conversion was not timely honored and (ii) receive the number of shares of Common Stock that would have been issued if the Corporation had timely complied with its delivery requirements under Section 6(c)(i).

(iv) Reservation of Shares Issuable Upon Conversion. The Corporation covenants that it will at all times reserve and keep available out of its authorized and unissued shares of Common Stock for the sole purpose of issuance upon conversion of the Series A Preferred Stock, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holders of the Series A Preferred Stock, not less than such aggregate number of shares of the Common Stock as shall be issuable (taking into account the adjustments of Section 7) upon the conversion of all outstanding shares of Series A Preferred Stock. The Corporation covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and nonassessable.

(v) Fractional Shares. No fractional shares or scrip representing fractional shares of Common Stock shall be issued upon the conversion of the Series A Preferred Stock. As to any fraction of a share which a Holder would otherwise be entitled to receive upon such conversion, the Corporation shall at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Conversion Price or round up to the next whole share.

(vi) Transfer Taxes. The issuance of certificates for shares of the Common Stock upon conversion of the Series A Preferred Stock shall be made without charge to any Holder for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such certificates, provided that the Corporation shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such certificate upon conversion in a name other than that of the registered Holder(s) of such shares of Series A Preferred Stock and the Corporation shall not be required to issue or deliver such certificates unless or until the Person or Persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

(d) Status as Stockholder. Upon each Conversion Date, (i) the shares of Series A Preferred Stock being converted shall be deemed converted into shares of Common Stock and (ii) the Holder's rights as a holder of such converted shares of Series A Preferred Stock shall cease and terminate, excepting only the right to receive certificates for such shares of Common Stock and to any remedies provided herein or otherwise available at law or in equity to such Holder because of a failure by the Corporation to comply with the terms of this Certificate of Designation. In all cases, the holder shall retain all of its rights and remedies for the Corporation's failure to convert Series A Preferred Stock.

Section 7. Certain Adjustments.

(a) Stock Dividends and Stock Splits. If the Corporation, at any time while the Series A Preferred Stock is outstanding: (A) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Corporation upon conversion of shares of Series A Preferred Stock) with respect to the then outstanding shares of Common Stock; (B) subdivides outstanding shares of Common Stock into a larger number of shares; or (C) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares, then the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Corporation) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event (excluding any treasury shares of the Corporation). Any adjustment made pursuant to this Section 7(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision or combination.

(b) Fundamental Transaction. If, at any time while the Series A Preferred Stock is outstanding, (A) the Corporation effects any merger or consolidation of the Corporation with or into another Person (other than a merger in which the Corporation is the surviving or continuing entity and its Common Stock is not exchanged for or converted into other securities, cash or property), (B) the Corporation effects any sale of all or substantially all of its assets in one transaction or a series of related transactions, (C) any tender offer or exchange offer (whether by the Corporation or another Person) is completed pursuant to which all of the Common Stock is exchanged for or converted into other securities, cash or property, or (D) the Corporation effects any reclassification of the Common Stock or any compulsory share exchange pursuant (other than as a result of a dividend, subdivision or combination covered by Section 7(a) above) to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (in any such case, a “Fundamental Transaction”), then, upon any subsequent conversion of this Series A Preferred Stock the Holders shall have the right to receive, in lieu of the right to receive Conversion Shares, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction, the same kind and amount of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of one share of Common Stock (the “Alternate Consideration”). For purposes of any such subsequent conversion, the determination of the Conversion Ratio shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Corporation shall adjust the Conversion Ratio in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holders shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Series A Preferred Stock following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Corporation or surviving entity in such Fundamental Transaction shall file a new Certificate of Designation with the same terms and conditions and issue to the Holders new preferred stock consistent with the foregoing provisions and evidencing the Holders’ right to convert such preferred stock into Alternate Consideration. The terms of any agreement to which the Corporation is a party and pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 7(b) and ensuring that the Series A Preferred Stock (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction. The Corporation shall cause to be delivered to each Holder, at its last address as it shall appear upon the stock books of the Corporation, written notice of any Fundamental Transaction at least 20 calendar days prior to the date on which such Fundamental Transaction is expected to become effective or close.

(c) Calculations. All calculations under this Section 7 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 7, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Corporation) issued and outstanding.

(d) Notice to the Holders.

(i) Adjustment to Conversion Price. Whenever the Conversion Price is adjusted pursuant to any provision of this Section 7, the Corporation shall promptly deliver to each Holder a notice setting forth the Conversion Ratio after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

(ii) Other Notices. If (A) the Corporation shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Corporation shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Corporation shall authorize the granting to all holders of the Common Stock of rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Corporation shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Corporation is a party, any sale or transfer of all or substantially all of the assets of the Corporation, of any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property or (E) the Corporation shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Corporation, then, in each case, the Corporation shall cause to be filed at each office or agency maintained for the purpose of conversion of this Series A Preferred Stock, and shall cause to be delivered to each Holder at its last address as it shall appear upon the stock books of the Corporation, at least 20 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange, provided that the failure to deliver such notice or any

defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice.

Section 8. Miscellaneous.

(a) Notices. Any and all notices or other communications or deliveries to be provided by the Holders hereunder including, without limitation, any Notice of Conversion, shall be in writing and delivered personally, by facsimile, or sent by a nationally recognized overnight courier service, addressed to the Corporation, at 601-C East Palomar Street, Chula Vista, CA 91911, or such facsimile number or address as the Corporation may specify for such purposes by notice to the Holders delivered in accordance with this Section. Any and all notices or other communications or deliveries to be provided by the Corporation hereunder shall be in writing and delivered personally, by facsimile, or sent by a nationally recognized overnight courier service addressed to each Holder at the facsimile number or address of such Holder appearing on the books of the Corporation, or if no such facsimile number or address appears on the books of the Corporation, at the principal place of business of such Holder. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number specified in this Section prior to 5:30 p.m. (New York City time) on any date, (ii) the date immediately following the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number specified in this Section between 5:30 p.m. and 11:59 p.m. (New York City time) on any date, (iii) the second Business Day following the date of mailing, if sent by nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given.

(b) Lost or Mutilated Series A Preferred Stock Certificate. If a Holder's Series A Preferred Stock certificate shall be mutilated, lost, stolen or destroyed, the Corporation shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated certificate, or in lieu of or in substitution for a lost, stolen or destroyed certificate, a new certificate for the shares of Series A Preferred Stock so mutilated, lost, stolen or destroyed, but only upon receipt of evidence of such loss, theft or destruction of such certificate, and of the ownership thereof, reasonably satisfactory to the Corporation and, in each case, customary and reasonable indemnity, if requested. Applicants for a new certificate under such circumstances shall also comply with such other reasonable regulations and procedures and pay such other reasonable third-party costs as the Corporation may prescribe.

(c) Waiver. Any waiver by the Corporation or a Holder of a breach of any provision of this Certificate of Designation shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Certificate of Designation or a waiver by any other Holders. The failure of the Corporation or a Holder to insist upon strict adherence to any term of this Certificate of Designation on one or more occasions shall not be considered a waiver or deprive that party (or any other Holder) of the right thereafter to insist upon strict adherence to that term or any other term of this Certificate of Designation. Any waiver by the Corporation or a Holder must be in writing.

(d) Severability. If any provision of this Certificate of Designation is invalid, illegal or unenforceable, the balance of this Certificate of Designation shall remain in effect, and if any provision is inapplicable to any Person or circumstance, it shall nevertheless remain applicable to all other Persons and circumstances. If it shall be found that any interest or other amount deemed interest due hereunder violates the applicable law governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum rate of interest permitted under applicable law.

(e) Next Business or Trading Day. Whenever any payment or other obligation hereunder shall be due on a day other than a Business Day or a Trading Day, such payment shall be made on the next succeeding Business Day or Trading Day, as the case may be.

(f) Headings. The headings contained herein are for convenience only, do not constitute a part of this Certificate of Designation and shall not be deemed to limit or affect any of the provisions hereof.

(g)

(h) Status of Converted Series A Preferred Stock. If any shares of Series A Preferred Stock shall be converted or reacquired by the Corporation, such shares shall resume the status of authorized but unissued shares of preferred stock and shall no longer be designated as Series A Preferred Stock.

IN WITNESS WHEREOF, the Corporation has caused this Certificate of Designation to be signed by its duly authorized officer this 9th day of December 2011.

Re: Secured Line of Credit

Ladies and Gentlemen:

We advise you that DermaStar International, LLC ("Lender") is prepared to make a secured line of credit available to Transdel Pharmaceuticals, Inc., a Delaware corporation ("Borrower"), with aggregate advances (each an "Advance" and collectively, the "Loan") thereunder up to (but not exceeding) an aggregate principal amount of \$750,000. The terms and conditions of the line of credit are as follows:

Availability: The Loan may be drawn down under this line of credit during the period beginning on the date of the Final Dismissal Order through November 21, 2012, subject to prior receipt of any required documentation specified herein and satisfaction of any other conditions. Advances shall be in a minimum of \$50,000 and in multiples thereof. This is not a revolving line of credit, and any amount of the Loan repaid may not be reborrowed.

"Final Dismissal Order" shall mean an order entered by the U.S. Bankruptcy Court for the Southern District of California dismissing Borrower's voluntary petition for reorganization relief under Chapter 11 of the United States Bankruptcy Code, Case No. 11-10497-11, and for which no appeal has been timely filed, or if a timely appeal or a request for extension of time within which to file such an appeal has been filed, no stay of enforcement or effectiveness of such order has been entered within the initial period to timely file such appeal.

Repayment: The outstanding principal of the Loan will be due and payable on the earlier of (a) November 21, 2012 or (b) upon the occurrence of an Event of Default.

Optional Prepayment: Borrower may prepay the Loan, together with accrued interest, in full or in part at any time without any prepayment penalty or premium. Borrower shall indicate which Advances are being prepaid in connection with any partial prepayment.

Interest: The Loan will bear interest at the rate of 10% per annum. Borrower agrees to pay interest on the Loan on the date of any prepayment, on the last Business Day of each calendar quarter, and at maturity. If any principal or other amount payable by Borrower under this letter agreement (this "Agreement") or under any other Loan Document (as defined below) is not paid in full when due (whether at stated maturity, by acceleration or otherwise), Borrower agrees to pay interest on such unpaid amount, from the date such amount becomes due until the date such amount is paid in full, on demand of Lender, at a rate per annum which is 2% higher than the rate of interest set forth in the first sentence above (the "Default Rate"). Additionally, upon the occurrence and during the continuation of any Event of Default (as defined in the Notes referred to below), the interest rate hereunder will be increased to the Default Rate. All interest will be computed on the basis of a 365-day (or 366-day) year and the actual number of days elapsed. Payment of any such interest at the Default Rate will not constitute a waiver of any Event of Default and will be without prejudice to the right of Lender to exercise any of its rights and remedies under the Loan Documents. In no event will Borrower be obligated to pay Lender interest, charges or fees at a rate in excess of the highest rate permitted by applicable law. (As used herein, "Loan Documents" means this Agreement, the Notes, the Collateral Documents referred to below, any guaranty, any subordination or intercreditor agreements, and all other certificates, documents, agreements and instruments delivered by Borrower or any other person or entity ("Person") to Lender under or in connection with this Agreement).

Use of Proceeds: Borrower agrees to use the proceeds of the Loan only for the following purposes:

- (a) with respect to the first three Advances:
 - (1) payment of administrative claims in connection with the Dismissal and the Chapter 11 Case;
 - (2) payment of priority claims to the following creditors of Borrower in connection with the Dismissal, conditioned upon receipt by Lender of a Mutual General Release of Claims executed by each such creditor, in a form acceptable to Lender: Schupp, \$8,852.02; Bonfiglio, \$11,725; Lomoro, \$11,725; Nida, \$11,725; Fernando, \$3,995.42;
 - (3) payment of taxes and other charges and assessments to the U.S. Internal Revenue Service, including the reservation of \$32,482.04 for payment of such taxes which are being contested in good faith; and
 - (4) (i) payment of legal and accounting fees and expenses of Lender as provided in "Expenses" below and as provided in Section 5.2 of that certain Securities Purchaser Agreement by and between Borrower and Lender dated of even date herewith, and (ii) payment of legal and accounting fees and expenses of Borrower in connection with the preparation, review and audit of Borrower's financial statements and the preparation and filing of any reports, forms, schedules, statements and other documents required by be filed by Borrower under U.S. federal and state securities laws and regulations; and
- (b) with respect to each subsequent Advance, for other working capital and general business purposes, as approved in advance by Lender.

Requests for Advances

Each Advance request must be in writing and received by Lender by 12:00 noon Pacific time at least three Business Days prior to the Business Day of the requested Advance. Lender will have the right to request that Borrower furnish Lender with such additional information and documentation with respect to the Advance as Lender requests. Upon fulfillment of the applicable conditions set forth herein, Lender will make the requested Advance available to Borrower in accordance with the payment instructions provided to Lender, provided that Lender reserves the right to make direct payment to any intended recipient of proceeds of the Advances. (As used herein, a "Business Day" is a day other than a Saturday or a Sunday on which banks are open for business in California.)

- (e) no event has occurred that has had or could reasonably be expected to have a Material Adverse Effect (as defined in such Note, each existing Note (if any));
- (f) Borrower shall not have been named as a defendant in any legal action brought by (i) any current or former employee, executive officer or director of Borrower or (ii) any third party with whom Borrower had entered into any agreement or contract (including any oral contract) prior to the date of the Final Dismissal Order;
- (g) Borrower shall have requested the Advance in compliance with the heading "Requests for Advance"; and
- (h) Borrower shall have delivered such other documents (including legal opinions) as Lender may request.

FOR VALUE RECEIVED, the undersigned, Transdel Pharmaceuticals, Inc., a Delaware corporation (“Borrower”), hereby promises to pay to the order of DermaStar International, LLC (“Lender”), on November 21, 2012, the principal amount of [_____] Dollars (\$[_____]), and to pay interest on the unpaid principal amount of at the interest rate, and payable on the dates, set forth in the letter agreement dated as of November [__], 2011 (the “Agreement”) between Borrower and Lender. Each payment of principal and interest thereon, shall be recorded by Lender on its books, which recordations shall, in the absence of manifest error, be conclusive as to such matters; provided that the failure of Lender to make any such recordation or any error therein shall not limit or otherwise affect the obligations of Borrower hereunder.

This Note is subject to prepayment in whole or in part as provided in the Agreement.

All payments hereunder shall be made in lawful money of the United States of America and in same day or immediately available funds, to Lender, in accordance with Lender’s payment instructions.

Whenever any payment hereunder shall be stated to be due, or whenever any interest payment date or any other date specified hereunder would otherwise occur, on a day other than a Business Day, then such payment shall be made, and such interest payment date or other date shall occur, on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest hereunder.

Borrower agrees to make all payments under this Note without setoff or deduction (whether for taxes or otherwise) and regardless of any counterclaim or defense.

Notwithstanding anything to the contrary contained herein, the interest paid or agreed to be paid hereunder shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the “Maximum Rate”). If Lender shall receive interest in an amount that exceeds the Maximum Rate, the excessive interest shall be applied to the principal of this Note or, if it exceeds the unpaid principal, applied to any other Note or refunded to Borrower. In determining whether the interest contracted for, charged, or received by Lender exceeds the Maximum Rate, Lender may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the stated term of this Note.

The request of Borrower for the Advance evidenced by this Note and the receipt by Borrower of the proceeds thereof shall be deemed a representation by Borrower as of the date of each such request or receipt that: (i) Borrower is duly organized or formed, as the case may be, validly existing and in good standing under the laws of the jurisdiction of its incorporation or formation, and has all requisite power and authority to execute, deliver and perform its obligations under the Loan Documents; (ii) the execution, delivery and performance by Borrower of the Loan Documents have been duly authorized by all necessary action of Borrower and do not and will not (A) contravene the terms of the articles or certificate of incorporation, or bylaws, or other applicable organizational documents, of Borrower, or result in a breach of or constitute a default under any lease, instrument, contract or other agreement to which Borrower is a party or by which it or its properties may be bound or affected; or (B) violate any provision of any law, rule, regulation, order, judgment, decree or the like binding on or affecting Borrower; (iii) this Note and the other Loan Documents are the legal, valid and binding obligations of Borrower enforceable against Borrower in accordance with their respective terms; (iv) Borrower has no subsidiaries.

So long as any amount payable by Borrower hereunder shall remain unpaid: (i) Borrower shall furnish to Lender from time to time such information respecting Borrower's financial condition as Lender may from time to time reasonably request; (ii) Borrower shall maintain its legal existence, licenses and privileges in good standing under and in compliance with all applicable laws and continue to operate the business currently conducted by Borrower; (iii) Borrower shall not (A) enter into any consolidation, merger, or other combination, (B) become a partner in a partnership, a member of a joint venture, or a member of a limited liability company, or (C) sell, license, transfer or otherwise dispose of any interest in any of Borrower's assets, except for sales of inventory in the ordinary course of business, licenses or sublicenses of rights in intellectual property on a non-exclusive or other limited basis in the ordinary course of business and sales of obsolete equipment; (iv) Borrower shall not acquire or commit or agree to acquire all or any stock, securities or assets of any other Person (as defined in the Agreement) other than inventory and equipment acquired in the ordinary course of business; (v) Borrower shall not declare or pay any dividends or make any distribution on any of its capital stock or other ownership interests, and also shall not purchase, redeem or otherwise acquire for value any of its capital stock or other ownership interests; (vi) Borrower shall not create or suffer to exist any lien or security interest on any of its assets except as permitted under the Collateral Documents; (vii) Borrower shall not incur any indebtedness other than Permitted Debt (as defined below); (viii) Borrower shall not prepay, redeem, purchase, defease or otherwise satisfy in any manner prior to the scheduled repayment thereof any Permitted Debt, or amend, modify or otherwise change the terms of any Permitted Debt so as to accelerate the scheduled repayment thereof; (ix) Borrower shall not make any loans or other extensions of credit to, or guaranty the obligations of, or invest in, any other Person; (x) Borrower shall not incorporate, create, acquire or suffer to exist any subsidiaries; and (xi) Borrower shall not enter into or engage in any business other than that carried on (or contemplated to be carried on) as of the date hereof. (As used herein, "Permitted Debt" means the indebtedness owing to Pavel Ladonnikov existing as of the date hereof, the Loan, unsecured liabilities to trade creditors (not the result of the borrowing of money) incurred in connection with the acquisition of goods, supplies, or merchandise on normal trade credit in the ordinary course of business, other current liabilities incurred in the ordinary course of business and not incurred through the borrowing of money, lease obligations incurred in the ordinary course of business, and obligations in respect of taxes or other governmental charges which are not yet due or which are being contested in good faith by appropriate proceedings.)

The occurrence of any of the following shall constitute an "Event of Default" under this Note:

(1) the failure to make any payment of principal, interest or any other amount payable hereunder when due under this Note;

(2) any representation or warranty by Borrower under or in connection with any Loan Document shall prove to have been incorrect when made or deemed made;

(3) the breach of any other condition or obligation under this Note;

(4) the filing of a petition by or against Borrower under any provision of the Bankruptcy Reform Act, Title 11 of the United States Code, as amended or recodified from time to time (the "Bankruptcy Code"), or under any similar law relating to bankruptcy, insolvency or other relief for debtors; or appointment of a receiver, trustee, custodian or liquidator of or for all or any part of the assets or property of Borrower; or the insolvency of Borrower; or the making of a general assignment for the benefit of creditors by Borrower;

(5) any breach or default occurs under any agreement in connection with any other credit Borrower has obtained from any other Person or which Borrower has guaranteed, the effect of which is to accelerate or permit the acceleration of the maturity of such indebtedness;

(6) Borrower shall (i) liquidate, wind up or dissolve (or suffer any liquidation, wind-up or dissolution), (ii) suspend its operations other than in the ordinary course of business, or (iii) take any action to authorize any of the actions or events set forth above in this paragraph;

(7) there is a change in the record or beneficial ownership or control of more than 20% of the voting capital stock of and other voting ownership interests in Borrower compared to such ownership on the date hereof, other than purchases of voting capital stock by Lender;

(8) the occurrence or existence of any event or condition that has or would reasonably be expected to have a material adverse effect on the business, properties, results of operations, condition (financial or otherwise) or prospects of Borrower (a "Material Adverse Effect");

(9) any of the Loan Documents shall for any reason be revoked or invalidated, or otherwise cease to be in full force and effect, or Borrower or any other Person shall contest in any manner the validity or enforceability thereof, or Borrower or any other Person shall deny that it has any further liability or obligation thereunder or purports to revoke, terminate or rescind any provision thereof;

(10) Borrower or any other Person shall fail to perform or observe any term, covenant or agreement contained in the Collateral Documents on its part to be performed or observed and any such failure shall remain unremedied beyond the applicable grace period, if any, specified therein (unless Lender determines that such failure is not capable of remedy);

(11) any "Event of Default" under any Collateral Document shall have occurred and be continuing; or any Collateral Document for any reason, except to the extent permitted by the terms thereof, shall cease to create a valid and perfected first priority lien on and security interest in any of the collateral purported to be covered thereby; or

(12) Borrower shall be named as a defendant in any legal action brought by (i) any current or former employee, executive officer or director of Borrower or (ii) any third party with whom Borrower had entered into any agreement or contract (including any oral contract) prior to the date of the Final Dismissal Order.

Upon the occurrence and continuance of any Event of Default, Lender, at its option, may (i) by notice to Borrower, declare the unpaid principal amount of this Note, all interest accrued and unpaid hereon and all other amounts payable hereunder to be immediately due and payable, whereupon the unpaid principal amount of this Note, all such interest and all such other amounts shall become immediately due and payable, without presentment, demand, protest or further notice of any kind, provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to Borrower under the Bankruptcy Code, the result which would otherwise occur only upon giving of notice by Lender to Borrower as specified above shall occur automatically, without the giving of any such notice; and (ii) whether or not the actions referred to in clause (i) have been taken, exercise any or all of Lender's rights and remedies under any Collateral Document and any guaranty, and proceed to enforce all other rights and remedies available to Lender under applicable law.

Borrower hereby waives presentment, protest, demand, or other notice of any kind in connection with this Note.

No failure or delay by Lender in exercising, and no course of dealing with respect to, any right, power, or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise of any right, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power, or privilege. The rights and remedies of Lender provided herein shall be cumulative and not exclusive of any other rights or remedies provided by law.

If any provision of this Note shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall not affect the remaining provisions hereof.

No amendment or waiver of any provision of this Note, nor any consent to any departure by Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by Lender and then such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

This Note shall be binding upon, inure to the benefit of and be enforceable by Borrower, Lender and their respective successors and assigns.

Borrower shall maintain a register in which it will record the initial ownership of this Note and any changes in ownership of this Note which occur as permitted by and in compliance with the terms hereof.

Borrower shall not have the right to assign its rights and obligations hereunder or any interest herein or therein without the prior written consent of Lender. Lender may sell, assign, transfer or grant participations in all or any portion of Lender's rights and obligations hereunder. In the event of any such assignment the assignee shall be deemed the "Lender" for all purposes of this Note and any other documents and instruments relating hereto with respect to the rights and obligations assigned to it. Borrower agrees that in connection with any such grant or assignment, Lender may deliver to the prospective participant or assignee financial statements and other relevant information relating to Borrower.

Time is of the essence for the performance of each and every obligation under this Note.

As provided in the Agreement, Borrower shall pay on demand all costs and expenses of Lender, and fees and disbursements of its legal counsel, incurred in connection with the enforcement or attempted enforcement of this Note.

This Note is secured by certain collateral more specifically described in the Collateral Documents.

This Note shall be governed by, and construed in accordance with, California law. Borrower hereby submits to the nonexclusive jurisdiction of the courts of the State of California and the Federal courts of the United States sitting in the State of California for the purposes of all legal proceedings arising out of or relating to this Note and any other Loan Documents. Borrower irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum.

(3) UPON THE WRITTEN REQUEST OF ANY PARTY, THE PARTIES SHALL SELECT A SINGLE REFEREE, WHO SHALL BE A RETIRED JUDGE OR JUSTICE. IF THE PARTIES DO NOT AGREE UPON A REFEREE WITHIN TEN DAYS OF SUCH WRITTEN REQUEST, THEN, ANY PARTY MAY REQUEST THE COURT TO APPOINT A REFEREE PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 640(B). (l) At Secured Party's request, Debtor will use commercially reasonable efforts to obtain from each Person from whom Debtor leases any premises, and from each other Person at whose premises any Collateral is at any time present (including any bailee, warehouseman or similar Person), and such collateral access, subordination, landlord waiver, bailment, consent and estoppel agreements as Secured Party may require, in form and substance satisfactory to Secured Party.

(m) In the event that Debtor acquires rights in any subsidiary after the date hereof, it shall deliver to Secured Party a completed supplement to Schedule 4, reflecting such new subsidiary. Notwithstanding the foregoing, it is understood and agreed that the security interest of Secured Party shall attach to any such subsidiary immediately upon Debtor's acquisition of rights therein and shall not be affected by the failure of Debtor to deliver any such supplement to Schedule 4.

(n) Debtor shall comply with all of its obligations under any Pledged Collateral Agreements to which it is a party and shall enforce all of its rights thereunder. Debtor will take all actions necessary to cause each Pledged Collateral Agreement relating to Collateral consisting of any and all limited, limited liability and general partnership interests and limited liability company interests of any type or nature ("Partnership and LLC Collateral") to provide specifically at all times that: (A) the Partnership and LLC Collateral shall be securities and shall be governed by Article 8 of the applicable Uniform Commercial Code; (B) each certificate of membership or partnership representing the Partnership and LLC Collateral shall bear a legend to the effect that such membership interest or partnership interest is a security and is governed by Article 8 of the applicable Uniform Commercial Code; and (C) no consent of any member, manager, partner or other Person shall be a condition to the admission as a member or partner of any transferee that acquires ownership of the Partnership and LLC Collateral as a result of the exercise by Secured Party of any remedy hereunder or under applicable law.

SECTION 6 Rights of Secured Party; Authorization; Appointment.

(a) At the request of Secured Party, upon the occurrence and during the continuance of any Event of Default, all remittances received by Debtor in respect of its accounts and other rights to payment shall be held in trust for Secured Party and, in accordance with Secured Party's instructions, remitted to Secured Party or deposited to an account of Secured Party in the form received (with any necessary endorsements or instruments of assignment or transfer).

(b) At the request of Secured Party, upon the occurrence and during the continuance of any Event of Default, Secured Party shall be entitled to receive all distributions and payments of any nature with respect to any Pledged Collateral or instrument Collateral, and all such distributions or payments received by the Debtor shall be held in trust for Secured Party and, in accordance with Secured Party's instructions, remitted to Secured Party or deposited to an account designated by Secured Party in the form received (with any necessary endorsements or instruments of assignment or transfer). Further, upon the occurrence and during the continuance of any Event of Default any such distributions and payments with respect to any Pledged Collateral held in any securities account shall be held and retained in such securities account, in each case as part of the Collateral hereunder, and Secured Party shall have the right, following prior written notice to the Debtor, to vote and to give consents, ratifications and waivers with respect to any Pledged Collateral and instruments, and to exercise all rights of conversion, exchange, subscription or any other rights, privileges or options pertaining thereto, as if Secured Party were the absolute owner thereof; provided that Secured Party shall have no duty to exercise any of the foregoing rights afforded to it and shall not be responsible to the Debtor or any other Person for any failure to do so or delay in doing so.

(c) Secured Party shall have the right to, in the name of Debtor, or in the name of Secured Party or otherwise, upon notice to but without the requirement of assent by Debtor, and Debtor hereby constitutes and appoints Secured Party (and any of Secured Party's officers, employees or agents designated by Secured Party) as Debtor's true and lawful attorney-in-fact, with full power and authority to: (i) sign and file any of the financing statements and other documents and instruments which must be executed or filed to perfect or continue perfected, maintain the priority of or provide notice of Secured Party's security interest in the Collateral; (ii) assert, adjust, sue for, compromise or release any claims under any policies of insurance; (iii) give notices of control, default or exclusivity (or similar notices) under any account control agreement or similar agreement with respect to exercising control over deposit accounts or securities accounts; and (iv) execute any and all such other documents and instruments, and do any and all acts and things for and on behalf of Debtor, which Secured Party may deem reasonably necessary or advisable to maintain, protect, realize upon and preserve the Collateral and Secured Party's security interest therein and to accomplish the purposes of this Agreement. Secured Party agrees that, except upon and during the continuance of an Event of Default, it shall not exercise the power of attorney, or any rights granted to Secured Party, pursuant to clauses (ii), (iii) and (iv). The foregoing power of attorney is coupled with an interest and irrevocable so long as the Obligations have not been paid and performed in full. Debtor hereby ratifies, to the extent permitted by law, all that Secured Party shall lawfully and in good faith do or cause to be done by virtue of and in compliance with this Section 6.

SECTION 7 Events of Default. Any of the following events which shall occur and be continuing shall constitute an "Event of Default":

(a) Debtor shall fail to pay when due any amount of principal of or interest on the Notes or other amount payable hereunder or under the Note or in respect of the Obligations, or any other "Event of Default" as defined in any Note or any other Document shall have occurred;

(b) Any representation or warranty by Debtor under or in connection with this Agreement, any Note or any other Document shall prove to have been incorrect in any material respect when made or deemed made;

(c) Debtor shall fail to perform or observe in any material respect any other term, covenant or agreement contained in this Agreement on its part to be performed or observed and any such failure shall remain unremedied for a period of thirty (30) days from the occurrence thereof;

(d) Debtor shall admit in writing its inability to, or shall fail generally or be generally unable to, pay its debts (including its payrolls) as such debts become due, or shall make a general assignment for the benefit of creditors; or Debtor shall file a voluntary petition in bankruptcy or a petition or answer seeking reorganization, to effect a plan or other arrangement with creditors or any other relief under the Bankruptcy Reform Act of 1978, as amended or recodified from time to time (the "Bankruptcy Code") or under any other state or federal law relating to bankruptcy or reorganization granting relief to debtors, whether now or hereafter in effect, or shall file an answer admitting the jurisdiction of the court and the material allegations of any involuntary petition filed against Debtor pursuant to the Bankruptcy Code or any such other state or federal law; or Debtor shall be adjudicated a bankrupt, or shall apply for or consent to the appointment of any custodian, receiver or trustee for all or any substantial part of Debtor's property, or shall take any action to authorize any of the actions set forth above in this paragraph; or an involuntary petition seeking any of the relief specified in this paragraph shall be filed against Debtor; or any order for relief shall be entered against Debtor in any involuntary proceeding under the Bankruptcy Code or any such other state or federal law referred to in this subsection (d);

(e) Debtor shall (i) liquidate, wind up or dissolve (or suffer any liquidation, wind-up or dissolution), except to the extent expressly permitted by the Notes, (ii) suspend its operations other than in the ordinary course of business, or (iii) take any action to authorize any of the actions or events set forth above in this subsection (e);

(f) Any material impairment in the value of the Collateral or the priority of Secured Party's Lien hereunder;

(g) Any levy upon, seizure or attachment of any of the Collateral which shall not have been rescinded or withdrawn; or

(h) Any loss, theft or substantial damage to, or destruction of, any material portion of the Collateral (unless within thirty (30) days after the occurrence of any such event, Debtor furnishes to Secured Party evidence satisfactory to Secured Party that the amount of any such loss, theft, damage to or destruction of the Collateral is fully insured under policies naming Secured Party as an additional named insured or loss payee).

SECTION 8 Remedies.

(a) Upon the occurrence and during the continuance of any Event of Default, Secured Party may declare any of the Obligations to be immediately due and payable and shall have, in addition to all other rights and remedies granted to it in this Agreement, the Notes and any other Document, all rights and remedies of a secured party under the UCC and other applicable laws. Without limiting the generality of the foregoing, (i) Secured Party may peaceably and without notice enter any premises of Debtor, take possession of any the Collateral, remove or dispose of all or part of the Collateral on any premises of such Debtor or elsewhere, or, in the case of equipment, render it nonfunctional, and otherwise collect, receive, appropriate and realize upon all or any part of the Collateral, and demand, give receipt for, settle, renew, extend, exchange, compromise, adjust, or sue for all or any part of the Collateral, as Secured Party may determine; (ii) Secured Party may require any Debtor to assemble all or any part of the Collateral and make it available to Secured Party at any place and time designated by Secured Party; (iii) Secured Party may secure the appointment of a receiver of the Collateral or any part thereof (to the extent and in the manner provided by applicable law); (iv) Secured Party may sell, resell, lease, use, assign, license, sublicense, transfer or otherwise dispose of any or all of the Collateral in its then condition or following any commercially reasonable preparation or processing (utilizing in connection therewith any of Debtor's assets, without charge or liability to Secured Party therefor) at public or private sale, by one or more contracts, in one or more parcels, at the same or different times, for cash or credit, or for future delivery without assumption of any credit risk, all as Secured Party deems advisable; provided, however, that Debtor shall be credited with the net proceeds of sale only when such proceeds are finally collected by Secured Party. Debtor recognizes that Secured Party may be unable to make a public sale of any or all of the Pledged Collateral, by reason of prohibitions contained in applicable securities laws or otherwise, and expressly agrees that a private sale to a restricted group of purchasers for investment and not with a view to any distribution thereof shall be considered a commercially reasonable sale. Secured Party shall have the right upon any such public sale, and, to the extent permitted by law, upon any such private sale, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption, which right or equity of redemption Debtor hereby releases, to the extent permitted by law. Secured Party shall give Debtor such notice of any private or public sales as may be required by the UCC or other applicable law.

(b) For the purpose of enabling Secured Party to exercise its rights and remedies under this Section 8 or otherwise in connection with this Agreement, Debtor hereby grants to Secured Party an irrevocable, non-exclusive and assignable license (exercisable without payment or royalty or other compensation to Debtor) to use, license or sublicense any intellectual property Collateral.

(c) Secured Party shall not have any obligation to clean up or otherwise prepare the Collateral for sale. Secured Party has no obligation to attempt to satisfy the Obligations by collecting them from any other Person liable for them, and Secured Party may release, modify or waive any Collateral provided by any other Person to secure any of the Obligations, all without affecting Secured Party's rights against Debtor. Debtor waives any right it may have to require Secured Party to pursue any third Person for any of the Obligations. Secured Party may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and compliance will not be considered adversely to affect the commercial reasonableness of any sale of the Collateral. Secured Party may sell the Collateral without giving any warranties as to the Collateral. Secured Party may specifically disclaim any warranties of title or the like. This procedure will not be considered adversely to affect the commercial reasonableness of any sale of the Collateral. If Secured Party sells any of the Collateral upon credit, Debtor will be credited only with payments actually made by the purchaser, received by Secured Party and applied to the indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, Secured Party may resell the Collateral and Debtor shall be credited with the proceeds of the sale.

(d) To the extent Debtor uses the proceeds of any of the Obligations to purchase Collateral, Debtor's repayment of the Obligations shall apply on a "first-in, first-out" basis so that the portion of the Obligations used to purchase a particular item of Collateral shall be paid in the chronological order the Debtor purchased the Collateral.

(e) The cash proceeds actually received from the sale or other disposition or collection of Collateral, and any other amounts received in respect of the Collateral the application of which is not otherwise provided for herein, shall be applied first, to the payment of the reasonable costs and expenses of Secured Party in exercising or enforcing its rights hereunder and in collecting or attempting to collect any of the Collateral, and to the payment of all other amounts payable to Secured Party pursuant to Section 12 hereof; and second, to the payment of the Obligations. Any surplus thereof which exists after payment and performance in full of the Obligations shall be promptly paid over to Debtor or otherwise disposed of in accordance with the UCC or other applicable law. Debtor shall remain liable to Secured Party for any deficiency which exists after any sale or other disposition or collection of Collateral.

SECTION 9 Certain Waivers. Debtor waives, to the fullest extent permitted by law, (i) any right of redemption with respect to the Collateral, whether before or after sale hereunder, and all rights, if any, of marshalling of the Collateral or other collateral or security for the Obligations; (ii) any right to require Secured Party (A) to proceed against any Person, (B) to exhaust any other collateral or security for any of the Obligations, (C) to pursue any remedy in Secured Party's power, or (D) to make or give any presentments, demands for performance, notices of nonperformance, protests, notices of protests or notices of dishonor in connection with any of the Collateral; and (iii) all claims, damages, and demands against Secured Party arising out of the repossession, retention, sale or application of the proceeds of any sale of the Collateral.

SECTION 10 Notices. All notices or other communications hereunder shall be in writing (including by facsimile transmission or by email) and mailed (by certified or registered mail), sent or delivered to the respective parties hereto at or to their respective addresses, facsimile numbers or email addresses set forth below their names on the signature pages hereof, or at or to such other address, facsimile number or email address as shall be designated by any party in a written notice to the other parties hereto. All such notices and communications shall be effective (i) if delivered by hand, sent by certified or registered mail or sent by an overnight courier service, when received; and (ii) if sent by facsimile transmission or electronic mail, when sent. Electronic mail may be used only for routine communications, such as distribution of informational documents or documents for execution by the parties thereto, and may not be used for any other purpose.

SECTION 11 No Waiver; Cumulative Remedies. No failure on the part of Secured Party to exercise, and no delay in exercising, any right, remedy, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, power or privilege preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights and remedies under this Agreement are cumulative and not exclusive of any rights, remedies, powers and privileges that may otherwise be available to Secured Party.

SECTION 12 Costs and Expenses; Indemnification.

(a) Debtor agrees to pay on demand: (i) the reasonable out-of-pocket costs and expenses of Secured Party, and the reasonable fees and disbursements of counsel to Secured Party, in connection with the negotiation, preparation, execution, delivery and administration of this Agreement, the Letter Agreement, the Notes and the other Documents, including the formation of the Lender, and any amendments, modifications or waivers of the terms thereof, and the custody of the Collateral; (ii) all title, appraisal, survey, audit, consulting, search, recording, filing and similar costs, fees and expenses incurred or sustained by Secured Party in connection with this Agreement or the Collateral; and (iii) all costs and expenses of Secured Party, and the fees and disbursements of counsel, in connection with the enforcement or attempted enforcement of, and preservation of any rights or interests under, this Agreement, the Letter, the Notes and the other Documents, including in any out-of-court workout or other refinancing or restructuring or in any bankruptcy case, and the protection, sale or collection of, or other realization upon, any of the Collateral, including all expenses of taking, collecting, holding, sorting, handling, preparing for sale, selling, or the like, and other such expenses of sales and collections of Collateral.

(b) Debtor hereby agrees to indemnify Secured Party, any affiliate thereof, and their respective directors, officers, employees, agents, counsel and other advisors (each an "Indemnified Person") against, and hold each of them harmless from, any and all liabilities, obligations, losses, claims, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever, including the reasonable fees and disbursements of counsel to an Indemnified Person, which may be imposed on or incurred by any Indemnified Person, or asserted against any Indemnified Person by any third party or by Debtor, in any way relating to or arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the transactions contemplated hereby or the Collateral, or (ii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by Debtor (the "Indemnified Liabilities"); provided that Debtor shall not be liable to any Indemnified Person for any portion of such Indemnified Liabilities to the extent they are found by a final decision of a court of competent jurisdiction to have resulted from such Indemnified Person's gross negligence or willful misconduct. If and to the extent that the foregoing

indemnification is for any reason held unenforceable, Debtor agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law.

(c) Any amounts payable to Secured Party under this Section 12 or otherwise under this Agreement if not paid upon demand shall bear interest from the date of such demand until paid in full, at the rate of interest set forth in the Notes.

SECTION 13 Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Debtor, Secured Party and their respective successors and assigns and shall bind any Person who becomes bound as a debtor to this Agreement. Debtor may not assign, transfer, hypothecate or otherwise convey its rights, benefits, obligations or duties hereunder without the prior express written consent of Secured Party. Any such purported assignment, transfer, hypothecation or other conveyance by Debtor without the prior express written consent of Secured Party shall be void. Debtor acknowledges and agrees that in connection with an assignment of, or grant of a participation in, the Obligations Secured Party may assign, or grant participations in, all or a portion of its rights and obligations hereunder. Upon any assignment of Secured Party's rights hereunder, such assignee shall have, to the extent of such assignment, all rights of Secured Party hereunder. Debtor agrees that, upon any such assignment, such assignee may enforce directly, without joinder of Secured Party, the rights of Secured Party set forth in this Agreement. Any such assignee shall be entitled to enforce Secured Party's rights and remedies under this Agreement to the same extent as if it were the original secured party named herein.

SECTION 14 Governing Law. This Agreement shall be governed by, and construed in accordance with, the law of the State of California, except as required by mandatory provisions of law and to the extent the validity or perfection of the security interests hereunder, or the remedies hereunder, in respect of any Collateral are governed by the law of a jurisdiction other than California.

SECTION 15 Entire Agreement; Amendment. This Agreement contains the entire agreement of the parties with respect to the subject matter hereof and shall not be amended except by the written agreement of the parties.

SECTION 16 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under all applicable laws and regulations. If, however, any provision of this Agreement shall be prohibited by or invalid under any such law or regulation in any jurisdiction, it shall, as to such jurisdiction, be deemed modified to conform to the minimum requirements of such law or regulation, or, if for any reason it is not deemed so modified, it shall be ineffective and invalid only to the extent of such prohibition or invalidity without affecting the remaining provisions of this Agreement, or the validity or effectiveness of such provision in any other jurisdiction.

SECTION 17 Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement.

SECTION 18 Termination. Upon payment and performance in full of all Obligations, the security interest created under this Agreement shall terminate and Secured Party shall promptly execute and deliver to Debtor such documents and instruments reasonably requested by Debtor as shall be necessary to evidence termination of all security interests given by Debtor to Secured Party hereunder.

SECTION 19 Conflicts. In the event of any conflict or inconsistency between this Agreement and the Notes, the terms of this Agreement shall control.

INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (this “Intellectual Property Security Agreement”) is made as of December 9, 2011, between Transdel Pharmaceuticals, Inc., a Delaware corporation (“Debtor”), and DermaStar International, LLC, a Nevada limited liability company (with its successors and assigns, “Secured Party”).

RECITALS

A. Pursuant to that certain line of credit letter agreement, dated November 21, 2011 (as amended, restated, supplemented or otherwise modified from time to time, including all exhibits and schedules thereto, the “Letter Agreement”) between Debtor and Secured Party;

B. The Secured Party is willing to make the Advances to Debtor, on an uncommitted basis, as provided for in the Letter Agreement, but only upon the condition, among others, that Debtor shall have executed and delivered to Secured Party that certain Security Agreement dated as of even date herewith (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the “Security Agreement”); and

C. Pursuant to the Letter Agreement, Debtor is required to execute and deliver to Secured Party this Intellectual Property Security Agreement.

AGREEMENT

Now, therefore, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby agrees as follows:

1. Defined Terms. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement and/or the Letter Agreement.
2. Grant of Security Interest in IP Collateral. Debtor hereby grants to Secured Party a continuing security interest in all of Debtor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “IP Collateral”):
 - (a) all of Debtor’s patents, patent applications, and rights in or to patent licenses to which it is a party including those referred to on Schedule I hereto;
 - (b) all reissues, continuations, continuations-in-part, substitutes, extensions or renewals of, and improvements on, of the foregoing;
 - (c) all products and proceeds of the foregoing item (a) and (b), including, without limitation, any claim by Debtor against third parties for past, present or future infringement or dilution of any patent or any patent licensed under any license;
 - (d) all of Debtor’s trademarks, trademark applications and rights in or to trademark licenses to which it is a party including those referred to on Schedule II hereto;
 - (e) all reissues, continuations, extensions, modifications and renewals of the foregoing;
 - (f) all goodwill of the business connected with the use of, and symbolized by, each trademark and each trademark license;
 - (g) all products and proceeds of the foregoing items (d) through (f), including, without limitation, any claim by Debtor against third parties for past, present or future (i) infringement or dilution of any trademark or any trademark licensed under any license or (ii) injury to the goodwill associated with any trademark or any trademark licensed under any license;
 - (h) all of Debtor’s copyrights, copyright applications and rights in or to copyright licenses to which it is a party including those referred to on Schedule III hereto;
 - (i) all reissues, continuations, restorations, reversions, renewals or extensions of the foregoing; and

(j) all products and proceeds of the foregoing items (h) and (i), including, without limitation, any claim by Debtor against third parties for past, present or future infringement or dilution of any copyright or any copyright licensed under any license.

3. Security Agreement. The security interests granted pursuant to this Intellectual Property Security Agreement are granted in conjunction with the security interests granted to Secured Party pursuant to the Security Agreement. Debtor hereby acknowledges and affirms that the rights and remedies of Secured Party with respect to the security interest in the IP Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. Authorization to File. Debtor authorizes Secured Party to file this Intellectual Property Security Agreement (and amendments and supplements hereof) in the United States Patent and Trademark Office, the United States Copyright Office and another other office that Secured Party deems necessary or appropriate.

5. Authorization To Supplement. If Debtor shall obtain rights to (a) any new patentable inventions or become entitled to the benefit of any patent application or patent for any reissue, division, or continuation, of any patent, (b) any new trademarks or application therefor, or (c) any new copyright or application therefor, the provisions of this Intellectual Property Security Agreement shall automatically apply thereto. Debtor shall give prompt notice in writing to Secured Party with respect to any such new rights. Without limiting Debtor's obligations under this Section 5, Debtor hereby authorizes Secured Party unilaterally to modify this Intellectual Property Security Agreement by amending the applicable schedule to include any such new rights of Debtor. Notwithstanding the foregoing, no failure to so modify this Intellectual Property Security Agreement or amend any schedule shall in any way affect, invalidate or detract from Secured Party's continuing security interest in all IP Collateral, whether or not listed on a schedule.

6. Counterparts. This Intellectual Property Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Intellectual Property Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

Except as set forth in the Disclosure Schedules, which Disclosure Schedules shall be deemed a part hereof and shall qualify any representation or otherwise made herein to the extent of the disclosure contained in the corresponding section of the Disclosure Schedules, the Company hereby makes the following representations and warranties to each Purchaser:

(a) Subsidiaries. All of the direct and indirect subsidiaries of the Company are set forth on Schedule 3.1(a). The Company owns, directly or indirectly, all of the capital stock or other equity interests of each Subsidiary free and clear of any Liens, and all of the issued and outstanding shares of capital stock of each Subsidiary are validly issued and are fully paid, non-assessable and free of preemptive and similar rights to subscribe for or purchase securities. If the Company has no subsidiaries, all other references to the Subsidiaries or any of them in the Transaction Documents shall be disregarded.

(b) Organization and Qualification. The Company and each of the Subsidiaries is an entity duly incorporated or otherwise organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, with the requisite power and authority to own and use its properties and assets and to carry on its business as currently conducted. Neither the Company nor any Subsidiary is in violation nor default of any of the provisions of its respective certificate or articles of incorporation, bylaws or other organizational or charter documents. Each of the Company and the Subsidiaries is duly qualified to conduct business and is in good standing as a foreign corporation or other entity in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, could not have or reasonably be expected to result in: (i) a material adverse effect on the legality, validity or enforceability of any Transaction Document, (ii) a material adverse effect on the results of operations, assets, business, prospects or condition (financial or otherwise) of the Company and the Subsidiaries, taken as a whole, or (iii) a material adverse effect on the Company's ability to perform in any material respect on a timely basis its obligations under any Transaction Document (any of (i), (ii) or (iii), a "Material Adverse Effect") and no Proceeding has been instituted in any such jurisdiction revoking, limiting or curtailing or seeking to revoke, limit or curtail such power and authority or qualification.

(c) Authorization; Enforcement. The Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by this Agreement and each of the other Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The execution and delivery of each of this Agreement and the other Transaction Documents by the Company and the consummation by it of the transactions contemplated hereby and thereby have been duly authorized by all necessary action on the part of the Company and no further action is required by the Company, the Board of Directors or the Company's stockholders in connection herewith or therewith other than in connection with the Required Approvals. This Agreement and each other Transaction Document to which it is a party has been (or upon delivery will have been) duly executed by the Company and, when delivered in accordance with the terms hereof and thereof, will constitute the valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except: (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.

(d) No Conflicts. The execution, delivery and performance by the Company of this Agreement and the other Transaction Documents to which it is a party, the issuance and sale of the Securities and the consummation by it of the transactions contemplated hereby and thereby do not and will not: (i) conflict with or violate any provision of the Company's or any Subsidiary's certificate or articles of incorporation, bylaws or other organizational or charter documents, (ii) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any Lien upon any of the properties or assets of the Company or any Subsidiary, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of, any agreement, credit facility, debt or other instrument (evidencing a Company or Subsidiary debt or otherwise) or other understanding to which the Company or any Subsidiary is a party or by which any property or asset of the Company or any Subsidiary is bound or affected, or (iii) subject to the Required Approvals, conflict with or result in a violation of any law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which the Company or a Subsidiary is subject (including federal and state securities laws and regulations), or by which any property or asset of the Company or a Subsidiary is bound or affected; except in the case of each of clauses (ii) and (iii), such as could not have or reasonably be expected to result in a Material Adverse Effect.

(e) Filings, Consents and Approvals. The Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority or other Person in connection with the execution, delivery and performance by the Company of the Transaction Documents, other than: (i) the filings required pursuant to Section 4.4 of this Agreement, (ii) the notice and/or application(s) to each applicable Trading Market for the issuance and sale of the Securities and the listing of the Conversion Shares and for trading thereon in the time and manner required thereby and (iii) the filing of Form D with the Commission and such filings as are required to be made under applicable state securities laws (collectively, the "Required Approvals").

(f) Issuance of the Securities. The Securities are duly authorized and, when issued and paid for in accordance with the applicable Transaction Documents, will be duly and validly issued, fully paid and nonassessable, free and clear of all Liens imposed by the Company other than restrictions on transfer provided for in the Transaction Documents. The Conversion Shares, when issued in accordance with the terms of the Transaction Documents, will be validly issued, fully paid and nonassessable, free and clear of all Liens imposed by the Company other than restrictions on transfer provided for in the Transaction Documents. The Company has reserved from its duly authorized capital stock the maximum number of shares of Common Stock issuable pursuant to this Agreement to the fullest extent permitted under its Certificate of Incorporation.

The capitalization of the Company is as set forth on Schedule 3.1(g), which Schedule 3.1(g) shall also include the number of shares of Common Stock owned beneficially, and of record, by Affiliates of the Company as of the date hereof. The Company has not issued any capital stock since its most recently filed periodic report under the Exchange Act, other than pursuant to the exercise of employee stock options under the Company's stock option plans, the issuance of shares of Common Stock to employees pursuant to the Company's employee stock purchase plans and pursuant to the conversion and/or exercise of Common Stock Equivalents outstanding as of the date of the most recently filed periodic report under the Exchange Act. No Person has any right of first refusal, preemptive right, right of participation, or any similar right to participate in the transactions contemplated by the Transaction Documents. Except as a result of the purchase and sale of the Securities, there are no outstanding options, warrants, scrip rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities, rights or obligations convertible into or exercisable or exchangeable for, or giving any Person any right to subscribe for or acquire any shares of Common Stock, or contracts, commitments, understandings or arrangements by which the Company or any Subsidiary is or may become bound to issue additional shares of Common Stock or Common Stock Equivalents. The issuance and sale of the Securities will not obligate the Company to issue shares of Common Stock or other securities to any Person (other than the Purchasers) and will not result in a right of any holder of Company securities to adjust the exercise, conversion, exchange or reset price under any of such securities. All of the outstanding shares of capital stock of the Company are duly authorized, validly issued, fully paid and nonassessable, have been issued in compliance with all federal and state securities laws, and none of such outstanding shares was issued in violation of any preemptive rights or similar rights to subscribe for or purchase securities. No further approval or authorization of any stockholder, the Board of Directors or others is required for the issuance and sale of the Securities. There are no stockholders agreements, voting agreements or other similar agreements with respect to the Company's capital stock to which the Company is a party or, to the knowledge of the Company, between or among any of the Company's stockholders.

(h) SEC Reports; Financial Statements. The Company has filed all reports, schedules, forms, statements and other documents required to be filed by the Company under the Securities Act and the Exchange Act, including pursuant to Section 13(a) or 15(d) thereof, for the two years preceding the date hereof (or such shorter period as the Company was required by law or regulation to file such material) (the foregoing materials, including the exhibits thereto and documents incorporated by reference therein, being collectively referred to herein as the "SEC Reports") on a timely basis or has received a valid extension of such time of filing and has filed any such SEC Reports prior to the expiration of any such extension. As of their respective dates, the SEC Reports complied in all material respects with the requirements of the Securities Act and the Exchange Act, as applicable, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Company has never been an issuer subject to Rule 144(i) under the Securities Act. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing. Such financial statements have been prepared in accordance with United States generally accepted accounting principles applied on a consistent basis during the periods involved ("GAAP"), except as may be otherwise specified in such financial statements or the notes thereto and except that unaudited financial statements may not contain all footnotes required by GAAP, and fairly present in all material respects the financial position of the Company and its consolidated Subsidiaries as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, immaterial, year-end audit adjustments.

The Company does not have pending before the Commission any request for confidential treatment of information. Except for the issuance of the Securities contemplated by this Agreement or as set forth on Schedule 3.1(i), no event, liability, fact, circumstance, occurrence or development has occurred or exists, or is reasonably expected to occur or exist, with respect to the Company or its Subsidiaries or their respective businesses, properties, operations, assets or financial condition, that would be required to be disclosed by the Company under applicable securities laws at the time this representation is made or deemed made that has not been publicly disclosed at least 1 Trading Day prior to the date that this representation is made.

The Company and its Subsidiaries are in compliance with all U.S. federal, state, local and foreign laws and regulations relating to employment and employment practices, terms and conditions of employment and wages and hours, except where the failure to be in compliance could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(n) Title to Assets. The Company and the Subsidiaries have good and marketable title in fee simple to all real property owned by them and good and marketable title in all personal property owned by them that is material to the business of the Company and the Subsidiaries, in each case free and clear of all Liens, except for (i) Liens as do not materially affect the value of such property and do not materially interfere with the use made and proposed to be made of such property by the Company and the Subsidiaries and (ii) Liens for the payment of federal, state or other taxes, for which appropriate reserves have been made therefor in accordance with GAAP and the payment of which is neither delinquent nor subject to penalties. None of, and neither the Company nor any Subsidiary has received a notice (written or otherwise) that any of, the Intellectual Property Rights has expired, terminated or been abandoned, or is expected to expire or terminate or be abandoned, within two (2) years from the date of this Agreement. Neither the Company nor any Subsidiary has received, since the date of the latest audited financial statements included within the SEC Reports, a written notice of a claim or otherwise has any knowledge that the Intellectual Property Rights violate or infringe upon the rights of any Person, except as could not have or reasonably or expected to not have a Material Adverse Effect. To the knowledge of the Company, all such Intellectual Property Rights are enforceable and there is no existing infringement by another Person of any of the Intellectual Property Rights. The Company and its Subsidiaries have taken reasonable security measures to protect the secrecy, confidentiality and value of all of their intellectual properties, except where failure to do so could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(p) Insurance. The Company and the Subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which the Company and the Subsidiaries are engaged, including, but not limited to, directors and officers insurance coverage at least equal to the aggregate Subscription Amount. Neither the Company nor any Subsidiary has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business without a significant increase in cost.

(q) Transactions With Affiliates and Employees. Except as set forth in the SEC Reports, none of the officers or directors of the Company or any Subsidiary and, to the knowledge of the Company, none of the employees of the Company or any Subsidiary is presently a party to any transaction with the Company or any Subsidiary (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, providing for the borrowing of money from or lending of money to or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of the Company, any entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee, stockholder, member or partner, in each case in excess of \$120,000 other than for: (i) payment of salary or consulting fees for services rendered, (ii) reimbursement for expenses incurred on behalf of the Company and (iii) other employee benefits, including stock option agreements under any stock option plan of the Company.

The Company and the Subsidiaries have established disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) for the Company and the Subsidiaries and designed such disclosure controls and procedures to ensure that information required to be disclosed by the Company in the reports it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the Commission’s rules and forms. The Company’s certifying officers have evaluated the effectiveness of the disclosure controls and procedures of the Company and the Subsidiaries as of the end of the period covered by the most recently filed periodic report under the Exchange Act (such date, the “Evaluation Date”). The Company presented in its most recently filed periodic report under the Exchange Act the conclusions of the certifying officers about the effectiveness of the disclosure controls and procedures based on their evaluations as of the Evaluation Date. Since the Evaluation Date, there have been no changes in the internal control over financial reporting (as such term is defined in the Exchange Act) of the Company and its Subsidiaries that have materially affected, or is reasonably likely to materially affect, the internal control over financial reporting of the Company or its Subsidiaries.

The Company and the Board of Directors have taken all necessary action, if any, in order to render inapplicable any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti-takeover provision under the Company's certificate of incorporation (or similar charter documents) or the laws of its state of incorporation that is or could become applicable to the Purchasers as a result of the Purchasers and the Company fulfilling their obligations or exercising their rights under the Transaction Documents, including without limitation as a result of the Company's issuance of the Securities and the Purchasers' ownership of the Securities.

(y) Disclosure. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, the Company confirms that neither it nor any other Person acting on its behalf has provided any of the Purchasers or their agents or counsel with any information that it believes constitutes or might constitute material, non-public information. The Company understands and confirms that the Purchasers will rely on the foregoing representation in effecting transactions in securities of the Company. The Company acknowledges and agrees that no Purchaser makes or has made any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in Section 3.2 hereof.

(z) No Integrated Offering. Assuming the accuracy of the Purchasers' representations and warranties set forth in Section 3.2, neither the Company, nor any of its Affiliates, nor any Person acting on its or their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause this offering of the Securities to be integrated with prior offerings by the Company for purposes of (i) the Securities Act which would require the registration of any such securities under the Securities Act, or (ii) any applicable shareholder approval provisions of any Trading Market on which any of the securities of the Company are listed or designated.

3.2 Representations and Warranties of the Purchasers. The Purchaser hereby represents and warrants as of the date hereof and as of the Closing Date to the Company as follows (unless as of a specific date therein):

(a) Organization; Authority. The Purchaser is an entity duly incorporated or formed, validly existing and in good standing under the laws of the jurisdiction of its formation with full right power and authority to enter into and to consummate the transactions contemplated by the Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The execution and delivery of the Transaction Documents and performance by the Purchaser of the transactions contemplated by the Transaction Documents have been duly authorized by all necessary limited liability company action on the part of the Purchaser. Each Transaction Document to which it is a party has been duly executed by Purchaser, and when delivered by the Purchaser in accordance with the terms hereof, will constitute the valid and legally binding obligation of the Purchaser, enforceable against it in accordance with its terms, except: (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.

(b) Own Account. Purchaser understands that the Securities are "restricted securities" and have not been registered under the Securities Act or any applicable state securities law and is acquiring the Securities as principal for its own account and not with a view to or for distributing or reselling such Securities or any part thereof in violation of the Securities Act or any applicable state securities law, has no present intention of distributing any of such Securities in violation of the Securities Act or any applicable state securities law and has no direct or indirect arrangement or understandings with any other persons to distribute or regarding the distribution of such Securities in violation of the Securities Act or any applicable state securities law (this representation and warranty not limiting Purchaser's right to sell the Securities pursuant to the Registration Statement or otherwise in compliance with applicable federal and state securities laws). Purchaser is acquiring the Securities hereunder in the ordinary course of its business.

(c) Purchaser Status. At the time Purchaser was offered the Securities, it was, and as of the date hereof it is, and on each date on which it converts the Preferred Shares, it will be either: (i) an "accredited investor" as defined in Rule 501(a)(1), (a)(2), (a)(3), (a)(7) or (a)(8) under the Securities Act or (ii) a "qualified institutional buyer" as defined in Rule 144A(a) under the Securities Act. Purchaser is not required to be registered as a broker-dealer under Section 15 of the Exchange Act.

(d) Experience of Purchaser. Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Securities, and has so evaluated the merits and risks of such investment. Purchaser is able to bear the economic risk of an investment in the Securities and, at the present time, is able to afford a complete loss of such investment.

(e) General Solicitation. Purchaser is not purchasing the Securities as a result of any advertisement, article, notice or other communication regarding the Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement.

Other than consummating the transactions contemplated hereunder, Purchaser has not directly or indirectly, nor has any Person acting on behalf of or pursuant to any understanding with Purchaser, executed any purchases or sales, including Short Sales, of the securities of the Company during the period commencing as of the time that Purchaser first received a term sheet (written or oral) from the Company or any other Person representing the Company setting forth the material terms of the transactions contemplated hereunder and ending immediately prior to the execution hereof. Other than to other Persons party to this Agreement, Purchaser has maintained the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction). Notwithstanding the foregoing, for avoidance of doubt, nothing contained herein shall constitute a representation or warranty, or preclude any actions, with respect to the identification of the availability of, or securing of, available shares to borrow in order to effect Short Sales or similar transactions in the future.

The Company acknowledges and agrees that the representations contained in Section 3.2 shall not modify, amend or affect Purchaser's right to rely on the Company's representations and warranties contained in this Agreement or any representations and warranties contained in any other Transaction Document or any other document or instrument executed and/or delivered in connection with this Agreement or the consummation of the transaction contemplated hereby.

ARTICLE IV OTHER AGREEMENTS OF THE PARTIES

4.1 Transfer Restrictions.

(a) The Securities may only be disposed of in compliance with state and federal securities laws. In connection with any transfer of Securities other than pursuant to an effective registration statement or Rule 144, to the Company or to an Affiliate of Purchaser or in connection with a pledge as contemplated in Section 4.1(b), the Company may require the transferor thereof to provide to the Company an opinion of counsel selected by the transferor and reasonably acceptable to the Company, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that such transfer does not require registration of such transferred Securities under the Securities Act. As a condition of transfer, any such transferee shall agree in writing to be bound by the terms of this Agreement and shall have the rights and obligations of Purchaser under this Agreement.

(b) Purchaser agrees to the imprinting, so long as is required by this Section 4.1, of a legend on any of the Securities in the following form:

THIS SECURITY HAS NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS AS EVIDENCED BY A LEGAL OPINION OF COUNSEL TO THE TRANSFEROR TO SUCH EFFECT, THE SUBSTANCE OF WHICH SHALL BE REASONABLY ACCEPTABLE TO THE COMPANY.

The Company acknowledges and agrees that Purchaser may from time to time pledge pursuant to a bona fide margin agreement with a registered broker-dealer or grant a security interest in some or all of the Securities to a financial institution that is an "accredited investor" as defined in Rule 501(a) under the Securities Act and who agrees to be bound by the provisions of this Agreement and, if required under the terms of such arrangement, Purchaser may transfer pledged or secured Securities to the pledgees or secured parties. Such a pledge or transfer would not be subject to approval of the Company and no legal opinion of legal counsel of the pledgee, secured party or pledgor shall be required in connection therewith. Further, no notice shall be required of such pledge. At Purchaser's expense, the Company will execute and deliver such reasonable documentation as a pledgee or secured party of Securities may reasonably request in connection with a pledge or transfer of the Securities, including, if applicable, the preparation and filing of any required prospectus supplement under Rule 424(b)(3) under the Securities Act or other applicable provision of the Securities Act to appropriately amend the list of selling stockholders thereunder.

(c) Certificates evidencing the Securities shall not contain any legend (including the legend set forth in Section 4.1(b) hereof), (i) while a registration statement covering the resale of such Securities is effective under the Securities Act, (ii) following any sale of such Securities, (iii) if such Securities are eligible for sale under Rule 144, without the requirement for the Company to be in compliance with the current public information required under Rule 144 as to such Conversion Shares and without volume or manner-of-sale restrictions, or (iv) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Commission). In such case, the Company shall cause its counsel to issue a legal opinion to the Transfer Agent promptly after the Effective Date if required by the Transfer Agent to effect the removal of the legend hereunder. If all or any portion of the Preferred Shares are converted at a time when there is an effective registration statement to cover the resale of the Conversion Shares, or if such Conversion Shares may be sold under Rule 144 and the Company is then in compliance with the current public information required under Rule 144, or if the Conversion Shares may be sold under Rule 144 without the requirement for the Company to be in compliance with the current public information required under Rule 144 as to such Conversion Shares or if such legend is not otherwise required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Commission) then such Conversion Shares shall be issued free of all legends. The Company agrees that at such time as such legend is no longer required under this Section 4.1(c), it will, no later than three Trading Days following the delivery by Purchaser to the Company or the Transfer Agent of a certificate representing Conversion Shares issued with a restrictive legend (such third Trading Day, the “Legend Removal Date”), deliver or cause to be delivered to Purchaser a certificate representing such shares that is free from all restrictive and other legends. The Company may not make any notation on its records or give instructions to the Transfer Agent that enlarge the restrictions on transfer set forth in this Section 4. Certificates for Securities subject to legend removal hereunder may be transmitted by the Transfer Agent to the Purchaser by crediting the account of the Purchaser’s prime broker with the Depository Trust Company System as directed by Purchaser.

(d) In addition to Purchaser’s other available remedies, the Company shall pay to Purchaser, in cash, as partial liquidated damages and not as a penalty, for each \$1,000 of Conversion Shares (based on the VWAP of the Common Stock on the date such Securities are submitted to the Transfer Agent) delivered for removal of the restrictive legend and subject to Section 4.1(c), \$10 per Trading Day (increasing to \$20 per Trading Day five (5) Trading Days after such damages have begun to accrue) for each Trading Day after the Legend Removal Date until such certificate is delivered without a legend. Nothing herein shall limit Purchaser’s right to pursue actual damages for the Company’s failure to deliver certificates representing any Securities as required by the Transaction Documents, and Purchaser shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief.

(e) Purchaser agrees with the Company that Purchaser will sell any Securities pursuant to either the registration requirements of the Securities Act, including any applicable prospectus delivery requirements, or an exemption therefrom, and that if Securities are sold pursuant to a Registration Statement, they will be sold in compliance with the plan of distribution set forth therein, and acknowledges that the removal of the restrictive legend from certificates representing Securities as set forth in this Section 4.1 is predicated upon the Company’s reliance upon this understanding.

(f) The Company is under no obligation to register the resale of the Securities under the Securities Act or any state securities laws; provided, however, that if the Company consummates a Subsequent Financing, any and all registration rights applicable to Common Stock issued or issuable to investors in connection with such Subsequent Financing shall automatically, and with no further action by the Company or the Purchaser, be deemed to apply to the Conversion Shares and the Company shall take all actions and execute all documents necessary to effectuate the same.

4.2 Furnishing of Information; Public Information.

(a) The Company covenants to maintain the registration of the Common Stock under Section 12(b) or 12(g) of the Exchange Act and to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act until such time as Purchaser owns no Securities.

(b) At any time during the period commencing from the six (6) month anniversary of the date hereof and ending at such time that all of the Securities may be sold without the requirement for the Company to be in compliance with Rule 144(c)(1) and otherwise without restriction or limitation pursuant to Rule 144, if the Company shall fail for any reason to satisfy the current public information requirement under Rule 144(c) (a “Public Information Failure”) then, in addition to Purchaser’s other available remedies, the Company shall pay to Purchaser, in cash, as partial liquidated damages and not as a penalty, by reason of any such delay in or reduction of its ability to sell the Securities, an amount in cash equal to two percent (2.0%) of the aggregate Subscription Amount on the day of a Public Information Failure and on every thirtieth (30th) day (pro rated for periods totaling less than thirty days) thereafter until the earlier of (a) the date such Public Information Failure is cured and (b) such time that such public information is no longer required for Purchaser to transfer the Securities pursuant to Rule 144. The payments to which Purchaser shall be entitled pursuant to this Section 4.2(b) are referred to herein as “Public Information Failure Payments.” Public Information Failure Payments shall be paid on the earlier of (i) the last day of the calendar month during which such Public Information Failure Payments are incurred and (ii) the third (3rd) Business Day after the event or failure giving rise to the Public Information Failure Payments is cured. In the event the Company fails to make Public Information Failure Payments in a timely manner, such Public Information Failure Payments shall bear interest at the rate of 1.5% per month (prorated for partial months) until paid in full. Nothing herein shall limit Purchaser’s right to pursue actual damages for the Public Information Failure, and Purchaser shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief.

4.3 Integration. The Company shall not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the offer or sale of the Securities in a manner that would require the registration under the Securities Act of the sale of the Securities or that would be integrated with the offer or sale of the Securities for purposes of the rules and regulations of any Trading Market such that it would require shareholder approval prior to the closing of such other transaction unless shareholder approval is obtained before the closing of such subsequent transaction.

4.4 Securities Laws Disclosure; Publicity. The Company shall file a Current Report on Form 8-K, including the Transaction Documents as exhibits thereto, with the Commission within the time required by the Exchange Act. The Company and Purchaser shall consult with each other in issuing any other press releases with respect to the transactions contemplated hereby, and neither the Company nor Purchaser shall issue any such press release nor otherwise make any such public statement without the prior consent of the Company, with respect to any press release of Purchaser, or without the prior consent of Purchaser, with respect to any press release of the Company, which consent shall not unreasonably be withheld or delayed, except if such disclosure is required by law, in which case the disclosing party shall promptly provide the other party with prior notice of such public statement or communication.

4.5 Shareholder Rights Plan. No claim will be made or enforced by the Company or, with the consent of the Company, any other Person, that Purchaser is an “Acquiring Person” under any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or similar anti-takeover plan or arrangement in effect or hereafter adopted by the Company, or that Purchaser could be deemed to trigger the provisions of any such plan or arrangement, by virtue of receiving Securities under the Transaction Documents or under any other agreement between the Company and Purchasers.

4.6 [Intentionally omitted.]

4.7 Use of Proceeds. The Subscription Amount shall be deposited into an account in the Company's name and subject to the Purchaser's security interest perfected through a Deposit Account Control Agreement. All or a portion of the Subscription Amount may be used by the Company in the settlement of any amounts owed to the Company's general unsecured creditors other than those creditors listed on Schedule B hereto.

4.8 Indemnification of Purchasers. Subject to the provisions of this Section 4.8, the Company will indemnify and hold Purchaser and its directors, officers, shareholders, members, partners, employees and agents (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title), each Person who controls Purchaser (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, shareholders, agents, members, partners or employees (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title) of such controlling persons (each, a “Purchaser Party”) harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys’ fees and costs of investigation that any such Purchaser Party may suffer or incur as a result of or relating to (a) any breach of any of the representations, warranties, covenants or agreements made by the Company in this Agreement or in the other Transaction Documents or (b) any action instituted against the Purchaser Parties in any capacity, or any of them or their respective Affiliates, by any stockholder of the Company who is not an Affiliate of such Purchaser Parties, with respect to any of the transactions contemplated by the Transaction Documents (unless such action is based upon a breach of such Purchaser Party’s representations, warranties or covenants under the Transaction Documents or any agreements or understandings such Purchaser Parties may have with any such stockholder or any violations by such Purchaser Parties of state or federal securities laws or any conduct by such Purchaser Parties which constitutes fraud, gross negligence, willful misconduct or malfeasance). If any action shall be brought against any Purchaser Party in respect of which indemnity may be sought pursuant to this Agreement, such Purchaser Party shall promptly notify the Company in writing, and the Company shall have the right to assume the defense thereof with counsel of its own choosing reasonably acceptable to the Purchaser Party. Any Purchaser Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Purchaser Party except to the extent that (i) the employment thereof has been specifically authorized by the Company in writing, (ii) the Company has failed after a reasonable period of time to assume such defense and to employ counsel or (iii) in such action there is, in the reasonable opinion of counsel, a material conflict on any material issue between the position of the Company and the position of such Purchaser Party, in which case the Company shall be responsible for the reasonable fees and expenses of no more than one such separate counsel. The Company will not be liable to any Purchaser Party under this Agreement (y) for any settlement by a Purchaser Party effected without the Company’s prior written consent, which shall not be unreasonably withheld or delayed; or (z) to the extent, but only to the extent that a loss, claim, damage or liability is attributable to any Purchaser Party’s breach of any of the representations, warranties, covenants or agreements made by such Purchaser Party in this Agreement or in the other Transaction Documents. The indemnification required by this Section 4.8 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or are incurred. The indemnity agreements contained herein shall be in addition to any cause of action or similar right of any Purchaser Party against the Company or others and any liabilities the Company may be subject to pursuant to law.

4.9 Reservation of Common Stock. As of the date hereof, the Company has reserved and the Company shall continue to reserve and keep available at all times, free of preemptive rights, the maximum allowable number of shares of Common Stock under the Company’s Amended and Restated Certificate of Incorporation necessary to issue Conversion Shares pursuant to any conversion of the Preferred Shares.

4.10 Listing of Common Stock. The Company hereby agrees to use best efforts to maintain the listing or quotation of the Common Stock on the Trading Market on which it is currently listed, and concurrently with the Closing, the Company shall apply to list or quote all of the Conversion Shares on such Trading Market and promptly secure the listing of all of the Conversion Shares on such Trading Market. The Company further agrees, if the Company applies to have the Common Stock traded on any other Trading Market, it will then include in such application all of the Conversion Shares, and will take such other action as is necessary to cause all of the Conversion Shares to be listed or quoted on such other Trading Market as promptly as possible. The Company will then take all action reasonably necessary to continue the listing or quotation and trading of its Common Stock on a Trading Market and will comply in all respects with the Company’s reporting, filing and other obligations under the bylaws or rules of the Trading Market.

4.11 Participation in Future Financing.

(a) From the date hereof until the date that is the sixty (60) month anniversary of the Effective Date, upon any issuance by the Company or any of its Subsidiaries of Common Stock, Common Stock Equivalents for cash consideration, Indebtedness or a combination of units hereof (a “Subsequent Financing”), Purchaser shall have the right to participate in up to an amount of the Subsequent Financing equal to 50% of the Subsequent Financing (the “Participation Maximum”) on the same terms, conditions and price provided for in the Subsequent Financing.

(b) At least five (5) Trading Days prior to the closing of the Subsequent Financing, the Company shall deliver to Purchaser a written notice of its intention to effect a Subsequent Financing (“Pre-Notice”), which Pre-Notice shall ask Purchaser if it wants to review the details of such financing (such additional notice, a “Subsequent Financing Notice”). Upon the request of Purchaser, and only upon a request by Purchaser, for a Subsequent Financing Notice, the Company shall promptly, but no later than one (1) Trading Day after such request, deliver a Subsequent Financing Notice to Purchaser. The Subsequent Financing Notice shall describe in reasonable detail the proposed terms of such Subsequent Financing, the amount of proceeds intended to be raised thereunder and the Person or Persons through or with whom such Subsequent Financing is proposed to be effected and shall include a term sheet or similar document relating thereto as an attachment.

(c) If Purchaser desires to participate in such Subsequent Financing, Purchaser must provide written notice to the Company by not later than 5:30 p.m. (New York City time) on the fifth (5th) Trading Day after Purchaser has received the Pre-Notice that Purchaser is willing to participate in the Subsequent Financing, the amount of Purchaser’s participation, and representing and warranting that Purchaser has such funds ready, willing, and available for investment on the terms set forth in the Subsequent Financing Notice. If the Company receives no such notice from Purchaser as of such fifth (5th) Trading Day, Purchaser shall be deemed to have notified the Company that it does not elect to participate.

(d) If by 5:30 p.m. (New York City time) on the fifth (5th) Trading Day after Purchaser has received the Pre-Notice, notifications by Purchaser of its willingness to participate in the Subsequent Financing (or to cause their designees to participate) is, in the aggregate, less than the total amount of the Subsequent Financing, then the Company may effect the remaining portion of such Subsequent Financing on the terms and with the Persons set forth in the Subsequent Financing Notice.

(e) The Company must provide Purchaser with a second Subsequent Financing Notice, and Purchaser will again have the right of participation set forth above in this Section 4.11, if the Subsequent Financing subject to the initial Subsequent Financing Notice is not consummated for any reason on the terms set forth in such Subsequent Financing Notice within thirty (30) Trading Days after the date of the initial Subsequent Financing Notice.

(f) The Company and Purchaser agree that if Purchaser elects to participate in the Subsequent Financing, the transaction documents related to the Subsequent Financing shall not include any term or provision whereby Purchaser shall be required to agree to any restrictions on trading as to any of the Securities purchased hereunder or be required to consent to any amendment to or termination of, or grant any waiver, release or the like under or in connection with, this Agreement, without the prior written consent of Purchaser.

(g) Notwithstanding anything to the contrary in this Section 4.11 and unless otherwise agreed to by Purchaser, the Company shall either confirm in writing to Purchaser that the transaction with respect to the Subsequent Financing has been abandoned or shall publicly disclose its intention to issue the securities in the Subsequent Financing, in either case in such a manner such that Purchaser will not be in possession of any material, non-public information, by the tenth (10th) Business Day following delivery of the Subsequent Financing Notice. If by such tenth (10th) Business Day, no public disclosure regarding a transaction with respect to the Subsequent Financing has been made, and no notice regarding the abandonment of such transaction has been received by Purchaser, such transaction shall be deemed to have been abandoned and Purchaser shall not be deemed to be in possession of any material, non-public information with respect to the Company or any of its Subsidiaries.

(h) Notwithstanding the foregoing, this Section 4.11 shall not apply in respect of (i) an Exempt Issuance, or (ii) an underwritten public offering of Common Stock ..

4.12 Form D; Blue Sky Filings. The Company agrees to timely file a Form D with respect to the Securities as required under Regulation D and to provide a copy thereof, promptly upon request of Purchaser. The Company shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for, or to qualify the Securities for, sale to Purchaser at the Closing under applicable securities or “Blue Sky” laws of the states of the United States, and shall provide evidence of such actions promptly upon request of Purchaser.

4.13 Acknowledgment of Dilution. The Company acknowledges that the issuance of the Securities may result in dilution of the outstanding shares of Common Stock, which dilution may be substantial under certain market conditions. The Company further acknowledges that its obligations under the Transaction Documents, including, without limitation, its obligation to issue the Preferred Shares and Conversion Shares pursuant to the Transaction Documents, are unconditional and absolute and not subject to any right of set off, counterclaim, delay or reduction, regardless of the effect of any such dilution or any claim the Company may have against Purchaser and regardless of the dilutive effect that such issuance may have on the ownership of the other stockholders of the Company.

ARTICLE V
MISCELLANEOUS

5.1 Termination. This Agreement may be terminated by Purchaser by written notice to the Company, if the Closing has not been consummated on or before November 30, 2011.

5.2 Fees and Expenses. The Company shall pay the reasonable fees and expenses of its and the Purchaser's advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of this Agreement. In addition, the Company shall reimburse Purchaser for all other documented reasonable travel and other out-of-pocket expenses incurred by Purchaser in connection with the negotiation and consummation of the transactions contemplated by this Agreement, provided that the aggregate amount of such expenses shall not exceed \$50,000. The Company shall pay all Transfer Agent fees (including, without limitation, any fees required for same-day processing of any instruction letter delivered by the Company and any exercise notice delivered by Purchaser), stamp taxes and other taxes and duties levied in connection with the delivery of any Securities to the Purchaser.

5.3 Entire Agreement. The Transaction Documents, together with the exhibits and schedules thereto, contain the entire understanding of the parties with respect to the subject matter hereof and thereof and supersede all prior agreements and understandings, oral or written, with respect to such matters, which the parties acknowledge have been merged into such documents, exhibits and schedules.

5.4 Notices. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be deemed given and effective on the earliest of: (a) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number set forth on the signature pages attached hereto at or prior to 5:30 p.m. (New York City time) on a Trading Day, (b) the next Trading Day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number set forth on the signature pages attached hereto on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (c) the second (2nd) Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service or (d) upon actual receipt by the party to whom such notice is required to be given. The address for such notices and communications shall be as set forth on the signature pages attached hereto.

5.5 Amendments; Waivers. No provision of this Agreement may be waived, modified, supplemented or amended except in a written instrument signed, in the case of an amendment, by the Company and Purchaser or, in the case of a waiver, by the party against whom enforcement of any such waived provision is sought. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of any party to exercise any right hereunder in any manner impair the exercise of any such right.

5.6 Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof.

5.7 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. The Company may not assign this Agreement or any rights or obligations hereunder without the prior written consent of Purchaser (other than by merger). Purchaser may assign any or all of its rights under this Agreement to any Person to whom Purchaser assigns or transfers any Securities, provided that such transferee agrees in writing to be bound, with respect to the transferred Securities, by the provisions of the Transaction Documents that apply to the "Purchaser."

5.8 No Third-Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person, except as otherwise set forth in Section 4.8.

5.9 Governing Law. All questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents shall be governed by and construed and enforced in accordance with the internal laws of the State of California, without regard to the principles of conflicts of law thereof.

Each party agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective affiliates, directors, officers, shareholders, partners, members, employees or agents) shall be commenced exclusively in the state and federal courts sitting in San Diego, California. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in San Diego, California for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper or is an inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If either party shall commence an action or proceeding to enforce any provisions of the Transaction Documents, then in addition to the obligations of the Company under Section 4.8, the prevailing party in such action, suit or proceeding shall be reimbursed by the other party for its reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such action or proceeding.

5.10 Survival. The representations and warranties contained herein shall survive the Closing and the delivery of the Securities.

5.11 Execution. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to each other party, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

5.12 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

5.13 Rescission and Withdrawal Right. Notwithstanding anything to the contrary contained in (and without limiting any similar provisions of) any of the other Transaction Documents, whenever Purchaser exercises a right, election, demand or option under a Transaction Document and the Company does not timely perform its related obligations within the periods therein provided, then Purchaser may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights.

5.14 Replacement of Securities. If any certificate or instrument evidencing any Securities is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation thereof (in the case of mutilation), or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction. The applicant for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs (including customary indemnity) associated with the issuance of such replacement Securities.

5.15 Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of the Purchasers and the Company will be entitled to specific performance under the Transaction Documents. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations contained in the Transaction Documents and hereby agree to waive and not to assert in any action for specific performance of any such obligation the defense that a remedy at law would be adequate.

5.16 Payment Set Aside. To the extent that the Company makes a payment or payments to Purchaser pursuant to any Transaction Document or Purchaser enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other Person under any law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

5.17 Liquidated Damages. The Company's obligations to pay any partial liquidated damages or other amounts owing under the Transaction Documents is a continuing obligation of the Company and shall not terminate until all unpaid partial liquidated damages and other amounts have been paid notwithstanding the fact that the instrument or security pursuant to which such partial liquidated damages or other amounts are due and payable shall have been canceled.

5.18 Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then such action may be taken or such right may be exercised on the next succeeding Business Day.

5.19 Construction. The parties agree that each of them and/or their respective counsel have reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of the Transaction Documents or any amendments thereto. In addition, each and every reference to share prices and shares of Common Stock in any Transaction Document shall be subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock that occur after the date of this Agreement.

5.20 WAIVER OF JURY TRIAL. **IN ANY ACTION, SUIT, OR PROCEEDING IN ANY JURISDICTION BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY, THE PARTIES EACH KNOWINGLY AND INTENTIONALLY, TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, HEREBY ABSOLUTELY, UNCONDITIONALLY, IRREVOCABLY AND EXPRESSLY WAIVES FOREVER TRIAL BY JURY.**
