Item 3. Source and Amount of Funds or Other Consideration

As disclosed in the Issuer’s Form 8-K filed with the Commission on December 20, 2011, the relevant items of which are hereby incorporated in their entirety by reference, on November 21, 2011, the Issuer entered into a Securities Purchase Agreement (the “Purchase Agreement”) with DermaStar, pursuant to which the Issuer agreed to issue ten (10) shares of Series A Convertible Preferred Stock (the “Series A Preferred Stock”) to DermaStar for an aggregate purchase price of \$100,000. The Purchase Agreement became effective on December 9, 2011. On December 12, 2011, the Issuer and DermaStar consummated the transactions contemplated by the Purchase Agreement and the Issuer issued to DermaStar the Series A Preferred Stock and DermaStar paid the aggregate purchase price therefor of \$100,000, using the working capital of DermaStar. Effective on February 28, 2012, the Issuer effected (i) a 1-for-8 reverse split of its Common Stock (the “Reverse Split”) and (ii) an increase in its total number of shares of Common Stock authorized from 50,000,000 shares to 395,000,000 shares (the “Authorized Increase”). Subject to the application of the terms of the Reverse Split and Authorized Increase, as of February 28, 2012, the shares of Series A Preferred Stock issued to DermaStar are convertible into a total of 7,498,500 shares of the Issuer’s Common Stock. A copy of the Purchase Agreement is attached as an exhibit to the Issuer’s Form 8-K filed with the Commission on December 20, 2011 and is hereby incorporated in its entirety by reference. The foregoing description of the terms of the Purchase Agreement is qualified in its entirety by reference to such exhibit.

As disclosed in the Issuer's Form 8-K filed with the Commission on January 25, 2012, the relevant items of which are hereby incorporated in their entirety by reference, as of January 25, 2012, the Issuer entered a waiver and settlement agreement (the "Waiver Agreement") with DermaStar, relating to DermaStar's 80% interest in a \$1,000,000 7.5% convertible promissory (the "Convertible Note") issued by the Issuer on April 5, 2010. DermaStar acquired its interest in the Convertible Note on January 1, 2012 for the purchase price of \$50,000 using the working capital of DermaStar. Pursuant to the Waiver Agreement, DermaStar and the Issuer agreed to the mandatory conversion of DermaStar's interest in the Convertible Note at such time as (and not until) the Issuer had a sufficient number of authorized Common Stock to effect such a conversion. Additionally, DermaStar agreed to a mandatory conversion of an amount of \$56,086.76 in good and valid accounts payable of the Issuer (the "Accounts Payable Amount") held by DermaStar, at such time as (and not until) the Issuer had a sufficient number of authorized Common Stock and was able to convert the Accounts Payable Amount. Following the Reverse Split and Authorized Increase and pursuant to the terms of the Waiver Agreement, the Convertible Note and the Accounts Payable Amount were converted into 7,274,812 shares of Common Stock, which are held directly by DermaStar as of the date of the filing of this Statement. A copy of the Convertible Note is attached as an exhibit to the Issuer's Form 8-K filed with the Commission on April 8, 2010 and is hereby incorporated in its entirety by reference. The foregoing description of the terms of the Convertible Note is qualified in its entirety by reference to such exhibit.

As originally disclosed in the Issuer's Form 8-K filed on December 20, 2011, the relevant items of which are hereby incorporated in its entirety by reference, on November 21, 2011, the Issuer entered into a Secured Line of Credit Letter Agreement (the "Line of Credit Agreement") with DermaStar. The Line of Credit Agreement became effective on December 9, 2011. The Line of Credit Agreement provided for advances to the Issuer of up to an aggregate of \$750,000. As of April 20, 2012, the aggregate principal balance owing under the Line of Credit Agreement was \$750,000, which DermaStar had advanced out of its working capital pursuant to four separate promissory notes issued to DermaStar (the "Promissory Notes"). Effective April 20, 2012, the Issuer and DermaStar entered into a Promissory Note Conversion Agreement (the "Conversion Agreement") wherein the parties agreed that, on April 25, 2012 (the "Issuance Date"), the entire principal balance of the Promissory Notes and all related accrued interest, totaling \$762,534.25, would be converted into a total of 965,233 shares of Common Stock and a related warrant to purchase an aggregate of 241,308 shares of Common Stock at an exercise price of \$1.185 per share (the "Warrant"). Such shares and the Warrant were issued to DermaStar on the Issuance Date. The Warrant is exercisable any time after the Issuance Date and expires on the third anniversary of the Issuance Date. A copy of the Line of Credit Agreement is attached as an exhibit to the Issuer's Current Report on Form 8-K filed on December 20, 2011 and is hereby incorporated in its entirety by reference. A copy of the Conversion Agreement is attached as an exhibit to the Issuer's Current Report on Form 8-K filed on April 27, 2012 and is hereby incorporated in its entirety by reference. The foregoing descriptions of the terms of the Line of Credit Agreement and the Promissory Note Conversion Agreement are qualified in its entirety by reference to such exhibits.

In September 2007, Dr. Kammer acquired 6,250 shares in a private transaction with the Issuer, which were acquired for the aggregate amount of \$100,000 using Dr. Kammer's personal funds. In May 2008, Dr. Kammer acquired 7,500 shares of Common Stock in an open market transaction, for an aggregate purchase amount of \$85,420 using Dr. Kammer's personal funds. In June 2009, Dr. Kammer acquired 5,625 shares of Common Stock in an open market transaction, for an aggregate purchase amount of \$39,348 using Dr. Kammer's personal funds. In June 2011, Dr. Kammer acquired 3,831 shares of Common Stock in an open market transaction, for an aggregate purchase amount of \$4,588 using Dr. Kammer's personal funds.
